- [16] Attended the online course “Managing Mental Health and Stress” by Coventry University, (11-25/1/2021).
- [17] Attended the lecture “Regression Analysis Part 3” by Tatweer Global Platform, Baghdad, (22/1/2021).
- [18] Attended the lecture “Regression Analysis Part 1” by Tatweer Global Platform, Baghdad (7/1/2021).
- [19] Attended the online workshop for Training to Teachers (T2T) for Medical Education arranged by Harvard Medical School, (10-12/9/2020).
- [20] Attended the online workshop for Training to Teachers (T2T) for Medical Education arranged by Harvard Medical School, (2-4/9/2020).
- [21] Attended the online workshop for training teachers (T2T) for medical education arranged by Harvard Medical School, (20-22/8/2020).
- [22] Attended the lecture “Mental Health in Healthcare Professionals on the Fornt-

- Line of the COVID pandemic” by Harvard Medical School (18/8/2020).
- [23] Attended the lecture “The Re-Opening of Schools During COVID-19” by Harvard Medical School (11/8/2020).
- [24] Attended the lecture “Residency and Fellowship Training During COVID-19” by Harvard Medical School (11/8/2020).
- [25] Attended the lecture “COVID-19 in Rural Areas and Small Cities” by Harvard Medical School (9/8/2020).
- [26] Attended the lecture “COVID-19 Impact on Infection Control, Preparedness and Cancer Patients” by Harvard Medical School (9/8/2020).
- [27] Attended the lecture “Emerging Respiratory Viruses, Including COVID-19: Methods for Detection, Prevention, Response and Control” by World Health Organization (WHO) (9/8/2020).
- [28] Attended the lecture “Immunological Testing During COVID-19” by Harvard Medical School (9/8/2020).
- [29] Attended the lecture “Basic Microbiology” by World Health Organization (WHO) (9/8/2020).
- [30] Attended the lecture “Proposals to treat COVID-19- induced Inflammation” by Swedish and Iraqi Studies Net Work (8/8/2020).
- [31] Attended the lecture “Issues in Vaccine Development for Coronaviruses” by Harvard Medical School (8/8/2020).
- [32] Attended the lecture “Perspectives on Recovery From COVID-19” by Harvard Medical School (8/8/2020).
- [33] Attended the lecture “ICU Management of COVID-19, Part II” by Harvard Medical School (6/8/2020).
- [34] Attended the lecture “Pregnancy and Breastfeeding During COVID-19” by Harvard Medical School (6/8/2020).
- [35] Attended the lectures on “COVID-19: Global Health Perspectives” by The University of Melbourne and The Nossal Institute for Global Health, 4 weeks, 3 hours per week (4/8/2020).

- [36] Attended the lecture “Mental Health Effects of the COVID-19 Pandemic” by Harvard Medical School (4/8/2020).
- [37] Attended the lecture “Ethics and Epidemics: Caring in the Time of COVID-19” by Harvard Medical School (3/8/2020).
- [38] Attended the lecture “COVID-19 in People with Diabetes or Obesity” by Harvard Medical School (3/8/2020).
- [39] Attended the lecture “COVID-19 and Nursing Homes” by Harvard Medical School (1/8/2020).
- [40] Attended the lecture “Cardiovascular Complications of COVID-19” by Harvard Medical School (1/8/2020).
- [41] Attended the lecture “The Impact of COVID-19 in Pediatrics” by Harvard Medical School (31/7/2020).
- [42] Attended the lecture “Hematologic Complications of COVID-19” by Harvard Medical School (31/7/2020).
- [43] Attended the lectures “Advanced Science Research Week” by Arabic Researcher ID (ARID), successfully completed 35 hours of training courses (24-30/7/2020).
- [44] Attended the lecture “Introduction to the Principles and Practice of Clinical Research 2019-2020” by the National Institute of Health (22/7/2020).
- [45] Attending a Harvard Medical School workshop and the Clinical Research Training Program (23-25/7/2020).
- [46] Attending a Harvard Medical School workshop and the Clinical Research Training Program (16-18/7/2020).
- [47] Attended the lecture “Personal Protective Equipment”, by United Nation Global Marketplace, The International Organization for the Protection of Human Rights Ukraino-Irak, E-Learning Unit (14-7-2020).
- [48] Attended the training course on infection control in the pediatric department in Mallawi City Hall, Minia (10/2/2020).
- [49] Attended the training course on principles of quality, patient safety, and patient

- care in Mallawi City Hall, Minia (11 and 18/2/2020).
- [50] Attended the training course on Basic Life Support in children in Mallawi City Hall, Minia (17/2/2020).
- [51] Attended the Harvard Medical School and the Clinical Scholars Research Training, Egypt program (CSRT-Egypt) at Princess Fatma Academy (formerly known as the National Training Institute), Cairo (3-6/2/2020).
- [52] Attended the training course on principles of quality, patient safety, and patient care in Mallawi Chest Hospital, Minia (21-23/1/2019).
- [53] Attended the training course on Basic Life Support in children in Mallawi General Hospital, Minia (6-7/12/2017).
- [54] Attended the training course on principles of quality, patient safety, and patient care in Mallawi General Hospital, Minia (27-28/11/2017).
- [55] Attended the training course on infection control in the pediatric department in Mallawi General Hospital, Minia (25-26/11/2017).
- [56] Attended the training course of infection control in pediatric department in Mallawi General Hospital, Minia (4-6/10/2016).
- [57] Attended the training course on Diagnosis of Pediatric Diseases by Imaging in Minia University (8-10/10/2015).
- [58] Attended the training course of Basic Ultrasound in Obstetrical Gynecological and Medical Diseases in Mallawi General Hospital, Minia (21-24/12/2013).
- [59] Attended the staff academic meetings every week in Pediatric Department, Tsukuba University Hospital, Tsukuba, Japan (during 2007-2013).
