

Curriculum Vitae (CV)

Name: Dr: Alaa Ahmed Redwan Reyan

Profession:

Professor of Gastro-intestinal, Hepato-Biliary-Pancreatic surgery, and Laparo-Endoscopy

Chairman of G.I.T Surgery and Laparo-endoscopy Units

General Surgery Department, Sohag University Hospitals,

Chairman of Surgery Departments, Faculty of Medicine, Merit University

Sohag, Egypt

Marital Status: married and has three kids.

Date of Birth: 5 – 1 – 1966.

Work Address: General Surgery Department, Sohag University Hospitals,

Sohag Faculty of Medicine, Sohag University, Sohag, Egypt

General Surgery Department, Merit University, New Sohag, Egypt

Telephone: Home 02 0932106149

Mobile 01001988455 – 01144844550

01501996976 - 01271707242

Priv. Clinic 02 0932160131

Work Fax 02 0934602963

Zip code 82516 Sohag – Egypt

Specialty:

- Gastro-intestinal surgery either conventional or laparoscopic
- Hepatic surgery either conventional or advanced surgery
- Biliary and pancreatic surgery either conventional or laparoscopic
- Gastro-intestinal endoscopy either diagnostic or therapeutic
- ERCP either diagnostic and therapeutic for all bilio-pancreatic disorders
- Bilio-pancreatic percutaneous radiologic manipulations
(Diagnostic or therapeutic)

Qualifications:

- M.B.CH.B. September 1989. Excellent degree with honor
- Master degree of surgery, April 1994. Excellent degree

Thesis title "Para-umbilical hernia, study and evaluation of different methods of surgical management"

- M.D. Surgery and laparo-endoscopy; October 1999.

Thesis title "Operative and endoscopic management of malignant obstructive jaundice (diagnostic and therapeutic aspects)"

- Ph. D. hepatic & pancreatobiliary surgery, and laparo-endoscopy
January 2010

Positions:

- i. House officer in Assuit University Hospitals, Assuit, 1990
- ii. Resident in Unit C, General Surgery Department, Assuit University Hospitals, 1991 - 1994.
- iii. Assistant lecturer in General Surgery Department, Assuit University Hospitals, 1995 – 1999.
- iv. Lecturer in General Surgery Department, Assuit University Hospitals, 1999 – 2004.
- v. Assistant professor in General Surgery Department, Assuit University Hospitals, 2004 – 2009.
- vi. Professor in General Surgery Department, Assuit University Hospitals, 2010.
- vii. Chief, and senior staff of Unit C1 surgery, general surgery department, Assuit University Hospitals, 2010 – 2013
- viii. Chief, Director, and senior staff of endoscopy unit, general surgery department, Sohag University Hospitals, 2013
- ix. Chief, Director, and senior staff of G.I.T. and hepatobiliary pancreatic surgery unit, general surgery department, Sohag University Hospitals, 2013 – 2020

- x. Chairman of Surgery Departments, Faculty of Medicine, Merit University, New Sohag, Egypt.
- xi. ..

Training courses:

- ❖ Gastro-intestinal surgery
- ❖ Hepato-pancreatico-biliary surgery
- ❖ Gastro-intestinal emergencies
- ❖ Trauma surgery

Assuit University Hospitals, General Surgery Department, Unit C. 1991-1994:

Prof. Forouk Ahmad Mourad, Prof. and Senior staff in general surgery department

Prof. Ahmad Eltayeb Esa Alsharawy, Prof. of general surgery

Prof. Mostafa Alaa Eldeen Abdelaziz, Prof. of general surgery

Mansura Gastro-Intestinal Surgery Center, Mansura University. 1995:

Prof. Gamal Ahmad Ebedy, Prof. of GIT surgery, and endoscopy

❖ Abdominal sonography:

Basic and advanced abdominal ultrasonography.

Sonographic guided biopsy and cytology of abdominal lesions, masses, and liver.

Percutaneous manipulations (Sonar guided techniques) for management of liver abscess or cysts, abdominal abscess or cyst, gastrostomy.etc.

Assuit University Hospitals, Radiology Department. 1995 – 1997:

Prof. Gamal AbDelHameed Ahmad, Prof. of general surgery

Prof. Mostafa AbdelGhafour Husain, Prof. of general surgery

Theodor Bilharz Research institute, Gastro-enterology Department, 1996-1998:

Prof. Ibraheim Mostafa Ibraheim, Prof. and senior staff of gastroenterology

❖ Gastro-intestinal endoscopy:

Basic endoscopic approaches (Diagnostic techniques) in upper endoscopy

Basic endoscopic approaches (Diagnostic techniques) in lower endoscopy

Advanced endoscopic procedures (Therapeutic techniques) in upper endoscopy

Advanced endoscopic procedures (Therapeutic techniques) in lower endoscopy

Assuit University Hospitals, Surgery Department, Endoscopy team. 1992-1996:

Prof. Forouk Ahmad Mourad, Prof. and Senior staff in surgery & endoscopy dept.

Theodor Bilharz Research institute, Gastro-enterology Department, 1996 -1998:

Prof. Ibraheim Mostafa Ibraheim, Prof. and senior staff of gastroenterology

❖ **Bilio-pancreatic endoscopy:**

Basic E.R.C.P. (Endoscopic Retrograde Cholangio – Pancreatography)

Advanced E.R.C.P. – Therapeutic approaches and various techniques

Cholangoscopy, diagnostic and therapeutic procedures.

Theodor Bilharz Research institute, Gastro-enterology Department, 1996 -1999:

Prof. Ibraheim Mostafa Ibraheim, Prof. and senior staff of gastroenterology

Mansura Gastro-Intestinal Surgery Center, Mansura University. 1996, 1997:

Prof. Gamal Ahmad Ebedy, Prof. of GIT surgery, and endoscopy

European Endoscopy Training Center, Universita Cattolica del Sacro Cuore, Rome, 2006:

Prof. Joseff Costamagna, Prof. of surgery and therapeutic endoscopy

❖ **Percutaneous biliary manipulations:**

Percutaneous Transe-hepatic Cholangiogram (P.T.C.)

Percutaneous Transe-hepatic Drainage (P.T.D.)

Assuit University Hospitals, Radiology Department. 1996, 1997:

Prof. Abdel Salam AbdelAziz, Prof. of radiology and interventional techniques

Mansura Gastro-Intestinal Surgery Center, Mansura University. 1998:

Prof. Gamal Ahmad Ebedy, Prof. of GIT surgery, and endoscopy

❖ **Laparoscopic techniques:**

Basic Laparoscopy (Diagnostic techniques and different approaches)

Advanced Laparoscopic techniques, biopsy, knotting, and suturing ...etc.

Laparoscopic cholecystectomy - varicocelelectomy - adhesolysis.

Laparoscopic appendectomy - Laparoscopic assisted surgery.

Laparoscopic exploration of common bile duct, and choledocolithotomy

Laparoscopic hiatal surgery

Assuit University Hospitals, Surgery Department, Laparoscopy team. 1994-2000:

Prof. Mostafa Alaa Eldeen AbdelAziz, Prof. of general surgery & laparoscopy

Mansura Gastro-Intestinal Surgery Center, Mansura University. 1996, 1997:

Prof. Nabil Gad Elhak Ahmad, Prof. of GIT surgery & laparoendoscopy

Kasr El-Eni University, General Surgery Department, 1998, 1999, 2005:

Prof. Faheem AlBasiony, Prof. of general surgery, and laparoscopy

Prof. Mohamad Yousef, Prof. of general surgery, and laparoscopy

Kyushu University Hospital, General Surgery Department, Fukuoka, Japan; 2009

Prof. Shuji Shimizu, prof. of Endoscopic Diagnostics and Therapeutics

Prof. Masao Tanaka, prof. of Surgery and Oncology, Kyushu University Graduate School of Medical Sciences.

❖ **Hospital administration:**

Sohag University Hospital, Administration workshop, 2014

Prof. Ali Abdelaleem , Prof. of administration and crisis management, Faculty of commerce, Sohag University, Sohag

Hospital administration workshop, September 14 - 18 ; 2014

Documentations:

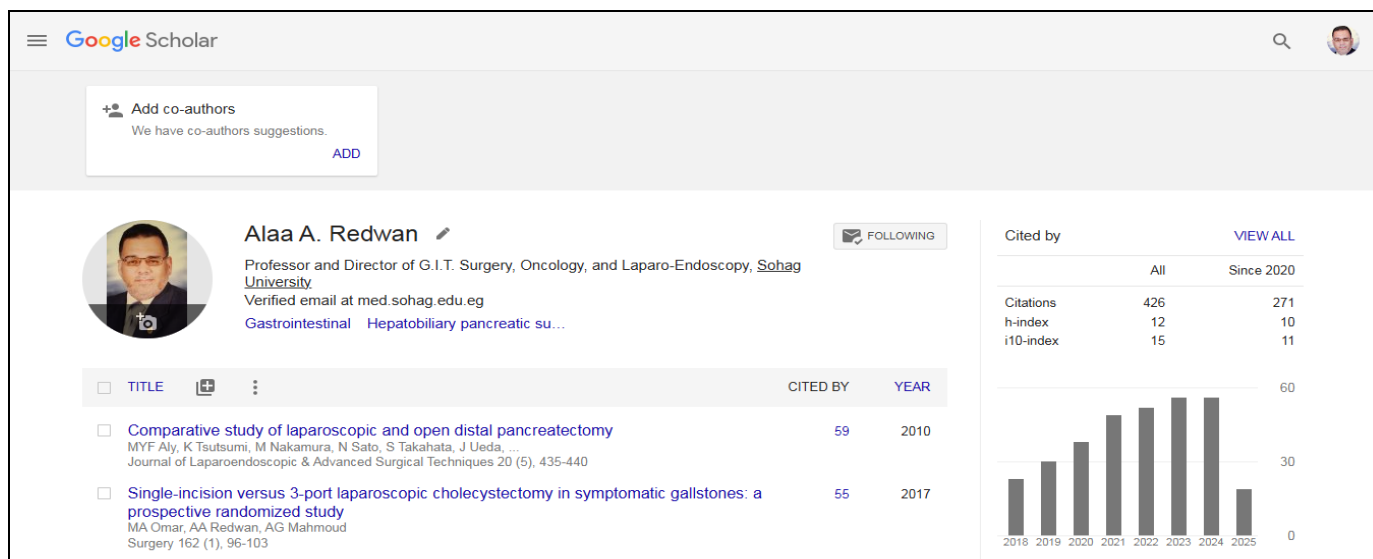

- Egyptian medical syndicate registry No. 97221, at 1-3-1991.
- Egyptian medical syndicate license No. 101612, at 1-3-1991.
- General surgery specialist registry No. 6076, at 24-9-1994.
- Consultant in surgery and laparo-endoscopy registry No. 534, at 22-1-2003.

Memberships:

- Egyptian medical syndicate
- Egyptian society of surgeons (ESS)
- Pan Arab association of surgeons (PAAS)
- Egyptian society of gastrointestinal of endoscopy
- Egyptian society to study liver and GIT diseases
- Egyptian group of hepato - pancreato-biliary surgery (EGHPBS)
- Egyptian group of laparo-endoscopic surgery (EGLES)
- Egyptian society of hepato - pancreato biliary surgery (EHPB)
- Egyptian society of tropical medicine, infectious and parasitic diseases (ESTIP)
- African middle east association of gastroenterology (AMAGE)
- European association for endoscopic surgery (EAES)
- Egyptian Society of Laparoscopic Surgery (ESLS)
- International hepato-pancreato-biliary association (IHPBA)
- Pan Arab Liver Transplantation Society (PALTS)

Administrative positions:

- ☒ Administrative residence in general surgery department 1991-1994
- ☒ Administrative residence in Assuit university hospitals 1992-1994
- ☒ Administrative member in charge for construction of therapeutic endoscopy unit in general surgery department, Assuit university hospitals, Assuit 1994
- ☒ Administrative member in charge for construction of biliary endoscopy unit (ERCP unit) in general surgery department, Assuit university hospitals, Assuit 1995

- ☒ Administrative member in charge for training medical staff in therapeutic endoscopy unit, General Surgery Department, Assuit University Hospitals, Assuit, 1995 - 1999
- ☒ Member in administrative committee of gastro intestinal endoscopy center, Assuit university hospitals, Assuit, 2000-2009
- ☒ Member in administrative committee for training, and qualification assessment of medical staff in gastro intestinal endoscopy center, Assuit university hospitals, Assuit, since 2005
- ☒ Administrative member for construction of laparoscopy unit in surgery department, upper Egypt oncology institute, Assuit 2004
- ☒ Member of the scientific committee for organizing Assuit international conference for gastro intestinal surgery and endoscopy, Assuit university hospitals, Assuit, 2001-2005
- ☒ Administrative member in charge for gastro intestinal workshop, international conference for gastro intestinal surgery and endoscopy, Assuit 2001 - 2005
- ☒ Administrative member in charge for training medical staff in laparoscopy unit in surgery department, upper Egypt oncology institute, Assuit 2004 -2008
- ☒ Member of the scientific committee in general surgery department, Assuit university hospitals, Assuit, 2008 - 2010
- ☒ Member of scientific committee of laparoendoscopy, general surgery department, Assuit university, Assuit, 2009 - 2011
- ☒ Member of administrative committee for planning, construction, and training medical staff in gastro intestinal endoscopy unit, Assuit liver center (Al Ragehy center), Assuit university hospitals, Assuit, 2010
- ☒ Active member in coordination of quality assurance programs in general surgery department, Assuit university 2010-2011
- ☒ Chief instructor in laparoscopy teaching and training center (AUCEST), Faculty of medicine, Assuit university hospitals, since 2011
- ☒ Member of the main administration board of Assuit gastro intestinal endoscopy center, and endoscopic training since 2011
- ☒ Member of the committee of endoscopic research and training of the cooperative protocol between Assuit medical faculty and ministry of health and health assurance in Assuit since 2010
- ☒ Chief and senior staff member of the gastrointestinal surgery and laparo-endoscopy in Unit C 1, general surgery department, Assuit University Hospitals since 2010
- ☒ Member of the hepatic pancreatobiliary surgery and endoscopy team in Al Ragehy Center for liver transplantation, 2012
- ☒ Chief and senior staff member of the G.I.T. and hepatobiliary pancreatic surgery unit, general surgery department, Sohag University Hospitals since 2013
- ☒ Chief and senior staff member of the gastrointestinal endoscopy unit, general surgery department, Sohag University Hospitals since 2013
- ☒ Director and senior staff member of Sohag laparo-endoscopic training center, general surgery department, Sohag University Hospital. 2015
- ☒ ..

National activities:

- ❖ The founder of ERCP unit, surgery department, faculty of medicine, Assuit University, Assuit, 1995 -2000

The first endoscopy unit all over the Upper Egypt practicing these endoscopic approaches was founded by Prof. Alaa Redwan, after ending his MD training program on this type of endoscopy in Cairo; this new type of endoscopy gives a new horizon for diagnosis and treatment of bilio-pancreatic problems, which was transferred to Cairo in the past years.

- ❖ Chief instructor in charge of the endoscopic ERCP techniques, for the unit operations daily and also training programs and staff training all over the period 1995 - 2000
- ❖ The founder of laparoscopy unit, surgery department, South Valley Cancer institute, Assuit University, Assuit, 2004 - 2007

The first laparoscopy unit in the institute was founded by Prof. Alaa Redwan, practicing these laparoscopic approaches for evaluation, and treatment various abdominal problems, especially malignancy, it was used in this period to evaluate and stage abdominal malignancy in MD search under direct supervision of the founder and his colleagues

- ❖ Chief instructor in charge of the laparoscopic techniques in South Valley Cancer institute, Assuit University, for the unit operations weekly and also training the junior staff in the unit
- ❖ One of the Chair persons invited in international conference of GIT endoscopy, Endoscopic international workshops, and international conference of laparoscopic surgery.
- ❖ Speaker in the conference of the Egyptian society of surgeons.
- ❖ Speaker in the conference of the Egyptian society of hepato-pancreatic-biliary surgeons.
- ❖ Speaker in the conference of the Egyptian group of hepato-pancreatic-biliary club surgeons.
- ❖ Speaker in the conference of the Egyptian group of Laparo-endoscopic surgeons.
- ❖ Expert endoscopist invited in El-Menia workshop for gastro-intestinal endoscopy
- ❖ ERCP expert endoscopist invited in El-Menia university hospitals
- ❖ Endoscopic expert invited in Kasr El-Eni workshop for gastro intestinal endoscopy
- ❖ Laparoscopic expert invited in upper Egypt oncology institute
- ❖ Endoscopic expert invited in Assuit workshop for gastro intestinal endoscopy 2001 - 2005
- ❖ Endoscopic expert invited in Upper Egypt oncology institute as invited expert for staff training at gastro intestinal endoscopy center.
- ❖ Member of the quality assurance committee of Assuit faculty of medicine, Assuit University, 2011 – 2012 (Accreditation by the national committee)
- ❖ Member of the ethical committee of Assuit faculty of medicine, Assuit University, 2011 – 2012
- ❖ Member in the supreme council for Assuit Endoscopy Center, and its main administrative board 2010 – 2012
- ❖ The founder of Assuit endoscopy unit training program, and its implementation in the center 2010 - 2012

The first training program designed in Assuit GIT endoscopy center was proposed and written by Prof. Alaa Redwan, and it was documented by administrative board and effectively manage training protocols for many junior endoscopists in Assuit University hospital and Assuit governorates and its benefits extends all over upper Egypt

- ❖ Member of the evaluation committee for accreditation of endoscopists graduated throughout the training program in Assuit Endoscopy center 2010 - 2012
- ❖ Member of the editorial board of Assuit medical journal, Assuit University, 2011 - 2012
- ❖ Speaker in the conference of IASGO group, Cairo as an expert in bilio-pancreatic surgeon (bilio-pancreatic expert session)
- ❖ Chief instructor in charge of endoscopic surgery teaching and training in Assuit endoscopic training center (AUCEST), Faculty of medicine, Assuit university hospitals, 2010 - 2013.

- ❖ Chief instructor in charge of Laparoscopic surgery teaching and training in Assuit laparoscopic training center (AUCEST), Faculty of medicine, Assuit university hospitals, 2010 - 2013.
- ❖ Member of the main board for designing and assembly of the endoscopy center in Al-Rajehy center for liver surgery and transplant, Assuit University 2010 – 2012, and chairing steps in arrangement of the center prior lunching
- ❖ Member of the surgical team from surgery department, Assuit University hospital assigned to work in Assuit AlRajehy center for liver surgery and transplantation

The first center in Assuit, and Upper Egypt for specialized liver surgeries and transplantation, and was established in university campus beside university hospital, started to accept patients by 2013, for liver resection only and for transplantation later on in the near future.

- ❖ Member of the committee for partnership between Assuit University, Faculty of medicine and the ministry of health, in the group for GIT surgery and endoscopy training protocol
- ❖ Member of the quality assurance and education programs committee of Sohag faculty of medicine, Sohag University, 2013 (Accreditation by the national committee).
- ❖ Member of the editorial board of Sohag medical journal, and reviewer of scientific reports and researches prior publishing, 2013.
- ❖ Member of Sohag ethical committee, faculty of medicine, Sohag University, Sohag; 2014, and chief of the committee 2015.
- ❖ Member of the Professor board committee for university academic promotion as reviewer and examiner, Sohag University, general surgery department
- ❖ Member of the board of reviewing, examination, and evaluation of university graduates' prior promotion in upper Egypt MD exam invited in different universities including AlMinia University, Assuit University, South Valley University in Qina, Aswan University, in addition to mother University (Sohag University)
- ❖ Member of the evaluation, hearing, and selection committee in general surgery department, Aswan University prior selecting lectures (hearing committee), 2013
- ❖ Member of international committee for evaluation of scientific researches of professors and assistant professors (reviewer) prior approval for the degree by supreme council of Egyptian universities, 2013.
- ❖ Moderator of the scientific committee for general surgery department, Sohag University Hospital, and the responsible for the arrangement of the scheduling of the weekly surgery seminar
- ❖ The founder and the chairman of Sohag association for surgery, gastroenterology, and oncology (SASGO)

SASGO group assembly is a non-profit organization under auspices of university rector, and faculty dean, founded, assembled, and regulated by prof. Alaa Redwan, and membered by associates and colleagues, hoping that it will be accredited legally by the Egyptian medical syndicates in the near future, it allows assembly of all concerned in GIT diseases, surgery, endoscopy, radiology, and oncology. Members of the assembly association has regular weekly multidisciplinary team meeting (grand round meeting) for discussing GIT cases to reach a panel decision. The other activity is the monthly meeting seminar that is held within the hospital or outside the university campus for discussion about all debate's issues and hot topics, as one day conference regulated by the association, with invitation to all concerns doctors and physicians. It is of great importance for regular training and teaching for doctors with its impact on the health care and improvement of the doctors activity

- ❖ Founder and senior staff communicating with the university administration, University rector, faculty dean, and all other concerns for proposing and initiating Sohag center for liver surgeries and transplants.
The proposal of this project was done by prof. Alaa Redwan and his colleagues to university president, and initiated through many steps till the project was added to university plane and started to be implemented through further steps on the ground. The designated land was assigned beside the new University campus in new Sohag city- Alkaoamel, and in the near future the project will start to help patients in relieving their pain and suffer with the minimum effort.
- ❖ Founder, chief and senior staff proposing and initiating Sohag training center for laparo-endoscopy with the help of other colleagues in general surgery department, Sohag university hospital
The proposal of this project was done by prof. Alaa Redwan and his colleagues to the department assembly and the hospital administration to prepare the designated place in the hospital by all logistic supplies, and started to communicates with all authorities in promoting the project that will help in training the junior surgeons in all aspects of laparo-endoscopy and it will be accredited locally by the faculty and University administration, hoping for national accreditation later on after launching its program
- ❖ Founder, and senior staff proposing and initiating Sohag endoscopy workshop in collaboration with medical and gastroenterology department with the help of other colleagues, under the auspices of the University rector, Faculty dean, chairman of surgery department, and chairman of tropical department.
The proposal of this project was done by prof. Alaa Redwan and his colleagues to the department assembly, to hold this workshop in Sohag helped by the integration between departments in the university hospitals. It will be very beneficial for all endoscopists as they will be satisfied by plenty of cases with all techniques available in the market for endoscopic maneuvers and tactics within a luxurious day in the hospital, and invitation letters was sent to all nearby hospitals and health facilities.
- ❖ Chairman of the Sohag annual conference and workshop of basic and advanced GIT endoscopy and ERCP,
The conference and the workshop were held at Sohag University, 26 Febr, 2015, in collaboration with medicine, and tropical and gastroenterology departments.
- ❖ Founder and senior staff proposing and initiating Sohag conference for surgery, laparo-endoscopy, and oncology
The proposal of this project was done by prof. Alaa Redwan and his colleagues to the department assembly, to start the preparation for Sohag conference for surgery, laparo-endoscopy, and oncology, under auspices of university rector, Faculty dean, chairman of conference by chairman of surgery department, and secretary general Prof. Alaa Redwan.
- ❖ Moderator of the 3rd medical congress in upper Egypt by the Egyptian society of tropical medicine, infectious and parasitic diseases (ESTIP), that was held in Sohag Nile hotel, Sohag, at 26 - 27th March 2015.
- ❖ Director of Sohag University Center for Endo-Laparoscopic Training (SUCELT), and senior staff trainers in the center, with graduation of the first group of trainees at 16th Aug. 2015 (1st Jun – 31th Aug.).
- ❖ Secretary general of Sohag 1st annual international conference of Surgery, laparoendoscopy, and Oncology that was held in Al-Zohoor Island hotel, Sohag, 4 - 5 November, 2015

- ❖ Honary president of the 5th annual Luxor fever hospital meeting, in collaboration with internal medicine department at Luxor general hospital, 17 March, Ebrotel hotel; Luxor, 2016
- ❖ Honary president of the GIT workshop endorsed by the 5th annual Luxor fever hospital meeting, in collaboration with internal medicine department at Luxor general hospital, March 17th ; Luxor general hospital, Luxor, 2016
- ❖ Secretary general of Sohag 2nd annual international conference of Surgery, laparoendoscopy, and Oncology that was held in Sohag University Conference Center, Sohag, 14 - 17 November, 2016
- ❖ The guest of honor and speaker of stand-alone meeting of Farco pharmaceutical company (America comp. Ultramox) that was held in Hurghada-Desert Rose Resort, December 10th – 12th 2020
- ❖ President of the 3rd Upper Egypt conference of surgery, laparo-endoscopy and oncology (Sohag 2020), that will be held in 6-7th September (Sohag University workshops), and 9-12th September (Hurghada city main conference). Organized by general surgery department, Sohag University
- ❖ Editor -in-Chief of Merit Medical Journal; that was published by Faculty of Medicine, Merit University, New Sohag city, Egypt.
- ❖ Director chairman of the training team of the workshop on basic laparoscopy techniques and laparoscopic cholecystectomy; using virtual reality laparoscopy (lap. Sim) organized by Merit Education development and skill lab center (MEDSC) in collaboration with general surgery department, sponsored by sim era, and Johnson companies, at Merit University; 2-4December 2022; Sohag, EGYPT
- ❖ President of the annual scientific conference of faculty of medicine – Merit University that will be organized by faculty of medicine, Merit University; 19-22th February; 2023 at New-Sohag city. With three pre-congress workshops for virtual reality laparoscopic surgery training, trauma course; initial assessment, and abdominal sonography assessment. At Merit Education & Skill Improvement Center (MESIC) Faculty of Medicine – Merit University.conference of

- 142)The ESS Virtual Surgical Weekend Live Webinars organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC). That was held at 24th – 26th September 2020, Cairo, Egypt.
- 143)The 39th Annual meeting of ESS (International Surgical Week). Hybrid Conference) organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC). That was held at 7th – 9th April 2021, Sheraton Cairo Hotel, Cairo, Egypt.
- 144)The Scientific day of radiology department- Sohag University under title of (Updates of diagnostic and interventional radiology), that wad held in the conference hall in Sohag University old campus at Friday 14th January; 2022.
- 145)The 18th international congress& workshop of the Egyptian society of laparoscopic surgery (ESLS 2022), the 16th winter meeting of Mediterranean & Middle eastern endoscopic surgery association, and the 9th congress of the Egyptian society of metabolic & Bariatric surgery, February 17th – 19th, 2022 Semiramis intercontinental Hotel, Cairo-Egypt
- 146)The 40th Annual meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC), International federation of surgical colleges (IFSC), and Turkish surgical society That was held on 30th March – 1st April 2022; Intercontinental Cairo Semiramis Hotel, Cairo, Egypt.
- 147)The 23rd international annual conference of the Egyptian society of the colon and rectal surgeons (ESCRS), organized by the Egyptian Society of Colon and Rectal Surgeons (ESCRS), in collaboration with the European Society of Colo-Proctology (ESCP), and accredited by U.E.M.S. 27 hours. That was held in intercontinental City Star Cairo Hotel, on 31 August – 2 September; 2022.
- 148)The 40th Summer meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC), International

federation of surgical colleges (IFSC), Turkish surgical society, and Turkish society of colon and rectal surgery (TSCRS) and accredited by the American association of continuing medical education (AACME). That was held at 22nd – 24th September 2022; Helnan Palestine Hotel, Alexandria, Egypt.

- 149) The 4th Upper Egypt conference of Surgery, Laparo-Endoscopy, and Oncology (The Future of Surgery; Updating the Surgical Practice in Egypt); organized by South Valley University; General Surgery Department on 28th September – 1st October 2022, Long Beach Resort; Hurghada, Egypt.
- 150) The conference of general surgery department of Minia University (SURGI MINIA 2022) in collaboration with the Egyptian society of surgeons (ESS), and Minia medical syndicate, 30th November – 1st December 2022; Jewel ElMinia Hotel (Armed Forces Hotel), Al Minia, Egypt.
- 151) Workshop on basic laparoscopy techniques and laparoscopic cholecystectomy; using virtual reality laparoscopy (lap. Sim) organized by Merit Education development and skill lab center (MEDSC) in collaboration with general surgery department, sponsored by sim era, and Johnson companies, at Merit University; 2-4 December 2022; Sohag, EGYPT.
- 152) The 19th international congress & workshop of the Egyptian society of laparoscopic surgery (ESLS 2023), the 17th winter meeting of Mediterranean & Middle eastern endoscopic surgery association (MMESA), and the 10th congress of the Egyptian society of metabolic & Bariatric surgery (ESMBS), February 16th – 17th, 2023 Semiramis intercontinental Hotel, Cairo-Egypt
- 153) The annual scientific conference of faculty of medicine, Merit University; February 22nd – 23rd, 2023, with two pre-congress workshops for virtual reality laparoscopic surgery training; initial assessment, and abdominal sonography assessment. At Merit Education & Skill Improvement Center (MESIC) Faculty of Medicine – Merit University, at Merit campus, New Sohag city, Sohag, Egypt.
- 154) The 41st Annual meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC), International federation of surgical colleges (IFSC), Turkish surgical society, and Turkish society of colon and rectal surgery (TSCRS) and accredited by the American association of continuing medical education (AACME). That was held at 15th – 17th March 2023; Semiramis intercontinental Hotel, Cairo, Egypt.
- 155) The 24th international annual conference of the Egyptian society of the colon and rectal surgeons (ESCRS), organized by the Egyptian Society of Colon and Rectal Surgeons (ESCRS), in collaboration with the European Society of Colo-Proctology (ESCP), and accredited by U.E.M.S. 27 hours. That was held in intercontinental City Star Cairo Hotel, on 31 August – 2 September; 2023.
- 156) The 41st Annual summer meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS) (Sailing to surgical success), in collaboration with International Society of Surgeons (ISC/SIC), International federation of surgical colleges (IFSC), European society of surgeons (E.S.S), Italian group SIPAD, and many others. And accredited by the American association of continuing medical education (AACME). That was held at 21st – 23rd September 2023; Helnan Palestine Hotel, Alexandria, Egypt.
- 157) The 20th international congress & workshop of the Egyptian society of laparoscopic surgery (ESLS 2024), the 18th winter meeting of Mediterranean & Middle eastern endoscopic surgery association

(MMESA), and the 11th congress of the Egyptian society of metabolic & Bariatric surgery (ESMBS), February 15th – 16th, 2024 Grand Nile Tower Hotel, Cairo-Egypt

- 158) The 2nd annual conference of Aisha El-Marzouk laparoscopic unit- Qena general hospital; in collaboration with Qena medical syndicate, organized by general surgery, urology, and gynecology departments 29th February – 1st March 2024; Dreams Land Qena Resort, Egypt.
- 159) The 42nd Annual meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC), International federation of surgical colleges (IFSC), Turkish surgical society, and Turkish society of colon and rectal surgery (TSCRS) and accredited by the American association of continuing medical education (AACME). That was held at 7th – 8th March 2024; Semiramis intercontinental Hotel, Cairo, Egypt.
- 160) The 3rd International Medical Conference of Merit University (New Sohag Medical University) that was organized by Merit University (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 21st - 22nd April; 2024 at Merit University, New-Sohag city.
- 161) The 2nd General Surgery Department Workshop – Qena University Hospitals – South Valley University that was organized by general surgery department, at 29th - 30th May; 2024 on (Laparoscopic Common Bile Duct Exploration) - 8 hours lectures – 12 hours live operations, at operation theater rooms, new Qena University hospitals; Qena
- 162) The 1st Delta trauma conference (abdominal trauma), and the 5th continuous trauma conference; that was held at 27th June 2024; Tulip El-Forsan Resort, Ismailia
- 163) The 25th Annual Conference of the Egyptian Society of Colon & Rectal Surgeons 2024; that was held in Hilton Heliopolis hotel - Cairo- Egypt, from 31st of July to 2nd of August 2024
- 164) The 1st Conference of Empowering Women in GI Endoscopy that was endorsed by WIE (women in endoscopy); and was held at 12 -13 September, 2024 – Al-Masa Hotel, Nasr city; Cairo
- 165) The Annual conference of general surgery department of Minia University (SURGI MINIA 2024) organized by general Surgery department of Minia University in collaboration with the Egyptian society of surgeons (ESS), and Minia medical syndicate (Interactive Sessions and Live Surgery Transmission), at 2nd – 3rd October; 2024 – Grand Atone Hotel, Al Minia, Egypt.
- 166) The 4th Annual Kafr ElShiekh GI & HBP Surgeries Conference 2024 organized by general Surgery department, GI and HBP unit; Aloboor Health insurance Hospital. (Interactive sessions and Preconference live transmission session and workshops) at 10th October; 2024 – Al Khaledeen Garden Conference Hall, Kafr Elshiekh, Egypt
- 167) المؤتمر العلمي الأول للمجلس العربي للتربية الأخلاقية بالتعاون مع مجموعه طبيه التعليميه والجمعيه العربيه للقياس والتقويم عن (الأخلاق والقيم بين التعليم وتحديات العصر) والذي نظمته مجموعه طبيه التعليميه تحت رعايه ورئاسه أ.د/ صديق عفيفي وذلك يوم السبت 12 أكتوبر 2024م – بقاعه ابن رشد التعليميه – مركز طبيه التعليمي – القاهره.
- 168) The 35th IASGO World Congress (IASGO Egypt 2024 - Secret of Pharos), that was organized by the Egyptian chapter – The Egyptian Society of Surgeon – The Egyptian hepato-biliary-pancreatic-group

EHBPG); and accredited by AACME 23.25 Hrs.; November 7-9-2024; Semiramis Intercontinental Hotel – Cairo – EGYPT.

- 169) The 21th international congress& workshop of the Egyptian society of laparoscopic surgery (ESLS 2025), the 19th winter meeting of Mediterranean & Middle eastern endoscopic surgery association (MMESA), and the 12th congress of the Egyptian society of metabolic & Bariatric surgery (ESMBS), February 20th – 21th, 2025; Grand Nile Tower Hotel, Cairo-Egypt
- 170) The National Liver Institute Collaboration Conference (NLICC 2025 – New Horizon in Digestive, Hepatobiliary, and Metabolic Disorders; Current Trends, Innovations, and Challenges) that was organized by NLIC – Minufia University, at Hilton Cairo Grand Nile Tower Hotel 13 -14 February; 2025, Cairo, Egypt
- 171) The 10th annual conference of general surgery department – faculty of medicine – Zakazik University in collaboration with the Egyptian society of surgeons (ESS) – Zakazik 2025 – New generation: Learning curve and gaining experience, that was held in Zakazik campus February 19th , and Marina Wadi Degla – Elsokhna 20th – 21st February; 2025, Red sea, Egypt
- 172) The 1st General Surgery Department Workshop on biliary laparoscopy – CBDE – Aswan University Hospitals – Aswan University that was organized by general surgery department, at 25th - 26th February; 2025 on (Laparoscopic Common Bile Duct Exploration) - 6 hours lectures in general surgery seminar hall – 12 hours live operations from central OR, laparoscopy operation theater rooms, Aswan University hospitals; Aswan.
- 173) the 4th International Medical Conference of Upper Egypt Universities (Merit University – Sohag University – South Valley University – Aswan University - Luxor University) that will be organized by all Upper Egypt Universities (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 26 - 27 April; 2025 at Merit University-New-Sohag city, and South Valley University-Qena.
- 174) The HPB workshop organized by general surgery department – HPB unit – Sohag University with MD evaluation of Dr. Mohammad Abosdera, and cases operated by Prof. Usama Hegazy, and Prof. Islam Ayoub; HPB professors in national liver institute, Minufia University. It was held in the main OR, Sohag University hospitals at July 6th , 2025.
- 175) The 26th Annual Conference of the Egyptian Society of Colon & Rectal Surgeons 2025; that was held in Hilton Heliopolis hotel - Cairo- Egypt, from 27st of August to 29th of August 2025
- 176) The 12th international scientific conference of south Egypt cancer institute, that was held in administrative building, Assuit university, Assuit. 8 – 9 October; 2025
- 177) The 5th Annual Kafr ElShiekh GI & HBP Surgeries Conference 2024 organized by general Surgery department, GI and HBP unit; Aloboor Health insurance Hospital. (Interactive sessions and Preconference live transmission session and workshops), in collaboration with the Egyptian society of surgeons (ESS), and KFS – Medical scientific Society, 16th October; 2025 – Al Khaledeen Garden Conference Hall, Kafr Elshiekh, Egypt

178) The annual conference of general surgery – Minia University (SURGI MINIA 2025), organized by general surgery department, Minia University, in Horus Hotel, Minia; at 22 – 23 October, 2025

Scientific supervision of dissertations, and research articles:

***- Master degree supervisor**

1. Supervisor of the M.Sc. degree in general surgery for Dr: Mohammad Bakr Mohamad, residence in general surgery department, Assuit university hospital, with thesis titled (Evaluation of different endoscopic lines for management of common bile duct stones. Comparative study), Assuit 2003.
2. Supervisor of the M.Sc. degree in general surgery for Dr: Rafat Fathy Nan, residence in general surgery department, Assuit university hospital, with thesis titled (Impact of endoscopic retrograde cholangio- pancreatography (ERCP) on serum amylase), Assuit 2003.
3. Supervisor of the M.Sc. degree in general surgery for Dr: Adel Thabet Aly, residence in general surgery department, Assuit university hospital, with thesis titled (Evaluation of operative versus conservative management of adhesional intestinal obstruction in Assuit University Hospital (Retrospective study), Assuit 2003.
4. Supervisor of the M.Sc. degree in general surgery for Dr: Mohamad Yehya Aly, residence in general surgery department, Assuit university hospital, with thesis titled (Comparative study between exploration of common bile duct plus T-tube insertion versus intra-operative stenting and primary closure in common bile duct stones), Assuit 2004.
5. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad Mohamad Soliman, residence in general surgery department, Assuit university hospital, with thesis titled (Surgery versus endoscopy in management of common bile duct stones), Assuit 2004.
6. Supervisor of the M.Sc. degree in general surgery for Dr: Hussain Ahmad AbdelMajeed, residence in general surgery department, Assuit university hospital, with thesis titled (Prevalence of breast cancer among patients presented with breast lump in outpatient clinic of surgical department in Assuit University hospital), Assuit 2005.
7. Supervisor of the M.Sc. degree in general surgery for Dr: Karem Shahein Mohamad, residence in general surgery department, Assuit university hospital, with thesis titled (Intra operative cholangiogram during cholecystectomy in patients without clinical evidence of CBD stones), Assuit 2006.
8. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad Elyan Sad, residence in general surgery department, Assuit university hospital, with thesis titled (Different modalities in management of Pancreatic pseudo cyst), Assuit 2008.

9. Supervisor of the M.Sc. degree in general surgery for Dr: Ekramy Mosaad, residence in general surgery department, Assuit university hospital, with essay titled (Bariatric surgery, Updates), Assuit 2008.
10. Supervisor of the M.Sc. degree in general surgery for Dr: Hosam Ahmad Mohamad, residence in general surgery department, Assuit university hospital, with essay titled (Pancreatic cancer updated), Assuit 2008.
11. Supervisor of the M.Sc. degree in general surgery for Dr: Salah Aly AlHeddy, invited residence in general surgery department from Yemen, Assuit university hospital, with essay titled (Bariatric surgery, different modalities and complications), Assuit 2008.
12. Supervisor of the M.Sc. degree in diagnostic and therapeutic radiology for Dr: AbdelRaheem Hussain Aly, residence in radiology department, University Hospitals in Sohag, South Valley University, with thesis titled (Percutaneous trans hepatic approach as a palliative treatment of obstructive jaundice), Sohag, 2008.
13. Supervisor of the M.Sc. degree in general surgery for Dr: Badawy Mohamad Ahmad, residence in general surgery department South Valley Cancer Institute, Assuit university, with thesis titled (Different surgical options in treatment of cancer cardia and lower third esophagus), Assuit 2009.
14. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad Ibraheim AbdelWahab, residence in cardiothoracic department, general surgery department, Assuit university hospital, with thesis titled (Recent advances in off pump coronary artery bypass surgery), Assuit 2010.
15. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad Aly Abdelmottaleb, residence in general surgery department, Assuit university hospital, with thesis titled (Recurrence in pilonidal sinuses), Assuit 2010.
16. Supervisor of the M.Sc. degree in general surgery for Dr: Mahmoud Gaber Mohamad, residence in general surgery department, Assuit university hospital, with essays titled (Natural orifice trans-luminal endoscopic surgery) (NOTES), Assuit 2011.
17. Supervisor of the M.Sc. degree in general surgery for Dr: Marko Mamdouh Farag, residence in general surgery department, Assuit university hospital, with essays titled (Non anatomic liver resection. Indications, techniques, and complications), Assuit 2011.
18. Supervisor of the M.Sc. degree in general surgery for Dr: Gerges Rabea Farag, residence in general surgery department, Assuit university hospital, with essays titled (Laparoscopic techniques in management of inguinal hernia in new era), Assuit 2011.
19. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad AbdelHak AbdelMajeed, residence in general surgery department, Assuit university hospital, with essays titled (Inguinal hernia repair procedures: Bassini, Shouldice, Lechtenestein tension free, and Desarda - Caskun no mesh recurrence free repair), Assuit 20012.

20. Supervisor of the M.Sc. degree in general surgery for Dr: Mahmoud Abdelaal Ahmad, residence in plastic surgery, general surgery department, Assuit university hospital, with thesis titled (Conventional skin carcinoma versus skin carcinoma complicating xeroderma pigmentosum), Assuit 2012.
21. Supervisor of the M.Sc. degree in general surgery for Dr: Mostafa Mahmoud Ibraheim, residence in general surgery department, Assuit university hospital, with essays titled (Update management of pancreatic cystic lesions), Assuit 2013.
22. Supervisor of the M.Sc. degree in general surgery for Dr: Waleed Saber Aboelhassan, residence in plastic surgery department, Sohag university hospital, with thesis titled (Different radiologic and surgical modalities in management of temporomandibular joint dysfunction in Sohag), Sohag 2014.
23. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad Mohamad Helmy, residence in general surgery department, Sohag University Hospital, with thesis titled (Evaluation of morbidity and mortality of liver trauma in Sohag), Sohag 2014.
24. Supervisor of the M.Sc. degree in medical microbiology and immunology for Dr: Hala Abdelaal Ahmed, residence in microbiology& immunology department, Sohag university hospital, with thesis titled (Surveillance of surgical site infection in general surgery department at Sohag University hospital), Sohag 2017
25. Supervisor of the M.Sc. degree in general surgery for Dr: Mahmoud Mohammad AbdelBaky, residence in general surgery department, Sohag University Hospital, with thesis titled (Oncoplastic Breast surgery: Current Strategies and Outcome), Sohag 2017.
26. Supervisor of the M.Sc. degree in general surgery for Dr: Mahmoud Naser, residence in general surgery department, Sohag University Hospital, with thesis titled (Total Thyroidectomy: Conventional suture ligation technique versus suture less techniques), Sohag 2017.
27. Supervisor of the M.Sc. degree in general surgery for Dr: Mahmoud Saad Gad, residence in general surgery department, Sohag University Hospital, with thesis titled (Laparoscopic Inguinal Hernia Repair; Sohag Experience with Promising Results), Sohag 2019.
28. Supervisor of the M.Sc. degree in general surgery for Dr: Ahmad Mahrous Salah Eldeen, residence in general surgery department, Sohag University Hospital, with thesis titled (Laparoscopic Repair of perforated peptic ulcer; Simple closure versus omentopexy), Sohag 2019.
29. Supervisor of the M.Sc. degree in general surgery for Dr: Mahmoud Fahmy Mahmoud Elian, residence in general surgery department, Sohag University Hospital, with thesis titled (Predictors of Difficult Laparoscopic Cholecystectomy; Scoring System and Their Implications on the Outcomes), Sohag 2023.
30. Supervisor of the M.Sc. degree in general surgery for Dr: Abdel-Aziz Mohammad Abdel-Aziz, residence in general surgery department, Sohag University Hospital, with thesis titled (Outcomes of laparoscopic versus open repair of inguinal hernia), Sohag 2025.

***- M.D degree supervisor**

1. Supervisor of the M.D. degree in general surgery for Dr: Anwar Tawfeek Amin, assistant lecture in general surgery department South Valley Cancer Institute, Assuit university, with thesis titled **(Evaluation and staging of abdominal malignancy with the use of laparoscopy)**, Assuit 2008.
2. Supervisor of the M.D. degree in general surgery for Dr: Yahia Ali Farag, assistant lecture in general surgery department, Assuit university hospital, Assuit university, with thesis titled **(Total wrap fundoplication versus partial gastric wrap treatment in reflux esophagitis)**, Assuit 2009.
3. Supervisor of the M.D. degree in general surgery for Dr: Mohamad Khamees Alakbary, invited assistant lecture in general surgery department from Yemen, Assuit university hospital, Assuit university, with thesis titled **(Stepwise management of post-cholecystectomy problems, surgery and endoscopy)**, Assuit 2013.
4. Supervisor of the M.D. degree in general surgery for Dr: Mohammad Yehya Farag, assistant lecture in general surgery department, Assuit university hospital, Assuit University, with thesis titled **(Comparative study between open and laparoscopic distal pancreatectomy)**, Assuit 2013.
5. Supervisor of the M.D. degree in general surgery for Dr: Mohammad Abdelwahab Mohamad, specialist surgeon in general surgery department, Sohag cancer institute, with thesis titled **(Modifications of pancreatico - duodenectomy procedure with mesenterico-portal vein resection in advanced pancreatic cancer)**, Assuit 2013
6. Supervisor of the M.D. degree in general surgery for Dr: Hussain Ahmad AbdelMajeed, specialist surgeon in general surgery department, Qina general Hospital, with thesis titled **(Single incision laparoscopic cholecystectomy (SILC) in comparison with conventional laparoscopic cholecystectomy)**, Assuit 2013.
7. Supervisor of the M.D. degree in general surgery for Dr: Emad Ali Abdelaal, assistant lecture in general surgery department, Sohag university hospital, Sohag University, with thesis titled **(Impact of graft steatosis on post-operative complication after liver transplantation)**, Sohag 2015.
8. Supervisor of the M.D. degree in general surgery for Dr: Mohamed Tag, specialist surgeon in general surgery department, Qina general Hospital, with thesis titled **(Single-Stage Laparoscopic Management for Concomitant Gallstones and Common Bile Duct Stones Versus Two Stages Using ERCP Procedures)**, Sohag 2018.
9. Supervisor of the M.D. degree in general surgery for Dr: Noha Abdulla Mahmoud, assistant lecture in general surgery department, Sohag university hospital, Sohag University, with thesis titled **(Evaluation of displacement techniques in surgery for breast cancer)**, Sohag 2019.
10. Supervisor of the M.D. degree in general surgery for Dr: Mohamad Abdelaal abosdera, assistant lecture in general surgery department, Sohag university hospital, Sohag University, with thesis titled

(Evaluation of different modalities (Surgery, and Endoscopy) in Management of Indeterminate lower Common Bile Duct stricture), Sohag 2019.

11. Supervisor of the M.D. degree in general surgery for Dr: Ahmad Abdelraheem Ahmad, assistant lecture in general surgery department, Sohag university hospital, Sohag University, with thesis titled (Minimally Invasive Surgery for Esophageal cancer; Feasibility and Outcome), Sohag 2019.

12. ..

National evaluation of dissertations and researches:

- 1) Member of scientific committee for evaluation of surgical researches and reports in Assuit medical journal since Jan. 2011 – 2013.
- 2) Member of faculty ethical committee for approval of scientific researches and reports in Assuit faculty of medicine since Jan. 2011 – 2013.
- 3) Member of scientific committee for evaluation of M. Sc. thesis (Intra Operative Cholangiogram During Cholecystectomy in Patients Without Clinical Evidence of CBD Stones), for Dr: Karem Shaheen Mohamad, resident doctor in general surgery department, Assuit university Hospitals, Assuit, at November;2006
- 4) Member of scientific committee for evaluation of M. Sc. thesis (Trans anal endoscopic microsurgical techniques), for Dr: Hosam Saied Taher, resident doctor in general surgery department, Assuit university Hospitals, Assuit, at November;2010.
- 5) Member of scientific committee for evaluation of M. D. thesis (Comparative Study Between Open and Laparoscopic Distal Pancreatectomy), for Dr: Mohamad Yehia Ali, assistant lecture in general surgery department, Assuit university Hospitals, Assuit, at April;2011
- 6) Member of scientific committee for evaluation of research M. Sc. thesis (Conventional Skin Carcinoma Versus Skin Carcinoma Complicating Xeroderma Pigmentosum), for Dr: Mahmoud Abdelaal Ahmad, resident doctor in plastic surgery department, Assuit university Hospitals, Assuit, at January;2012
- 7) Member of scientific committee for evaluation of M. Sc. thesis (Post Cholecystectomy Pain, Role of ERCP in Diagnosis, Evaluation and Treatment), for Dr: Islam Mohamad Nemr, invited resident doctor in general surgery department, El Minia university Hospitals, AlMinia, at April ;2012
- 8) The internal evaluation member of Master (MSC) degree scientific program and courses specifications of Oro-Maxillofacial surgery prior accreditation process in quality assurance unit, Faculty of medicine, Assuit university hospitals at September 2012.
- 9) The internal evaluation member of MD degree scientific program and courses specifications of Oro-Maxillofacial surgery prior accreditation process in quality assurance unit, Faculty of medicine, Assuit university hospitals at October 2012.

- 10) Member of scientific committee for evaluation of M. Sc. essay (Updated Management of Pancreatic Cystic Lesions), for Dr: Mostafa Mahmoud Ibraheem, resident doctor in general surgery department, Assuit university Hospitals, Assuit, at March;2013
- 11) Member of scientific committee for evaluation of research M. Sc. essay (Updated management of Trigeminal Neuralgia TN), for Dr: Yaser Mohamad Sadeek, resident doctor in Oro-Maxillofacial unit, general surgery department, Assuit university Hospitals, Assuit, at February;2013
- 12) Member of scientific committee for evaluation of M. Sc. essay (Inguinal hernia repair procedures (Bassini, Shouldice, Lichtenstein tension free, and Desarda - Caskun no mesh recurrence free repair), for Dr: Ahmad AbdelHak AbdelMajeed, redsident doctor in general surgery department, Assuit university Hospitals, Assuit, at August; 2013.
- 13) Member of scientific committee for evaluation of M. Sc. essay (Up to date management of post-operative faecal incontinence), for Dr: Mena Melad Boshra, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at August; 2013.
- 14) Member of scientific committee for evaluation of M. Sc. thesis (Cleft lip and palate; ten years' experience of plastic and reconstructive surgery department, Sohag University Hospitals), for Dr: Noha Osman AbdelKareem, resident doctor in plastic surgery, Sohag university Hospitals, Sohag, at August; 2013.
- 15) Member of scientific committee for evaluation of M. Sc. thesis (Lymphatic preserving laparoscopic varicocele repair), for Dr: Ragab Ahmad Aly, resident doctor in general surgery department, Sohag university Hospitals, Sohag, at August; 2013.
- 16) Member of scientific committee for evaluation of M. Sc. essay (Recent trends in management of congenital diaphragmatic hernia), for Dr: Noha Abdalla Mahmoud, resident doctor in general surgery department, Sohag university Hospitals, Sohag, at August; 2013.
- 17) Member of scientific committee for evaluation of M. Sc. essay (post-operative biliary leakage), for Dr: Mahmoud Hasabelnaby AbdelRaheem, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at August; 2013.
- 18) Member of scientific committee for evaluation of M. Sc. essay (Management of breast cancer up to date), for Dr: Ahmad Esaily Mohamad, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at August; 2013.
- 19) Member of scientific committee for evaluation of M. D. thesis (Stepwise management of post cholecystectomy problems, Endoscopy and surgery), for Dr: Mohamad Khamees Alakbary, invited assistant lecture from Yemen, general surgery department, Assuit university Hospitals, Assuit, at September; 2013.
- 20) Member of scientific committee for evaluation of M. D. thesis (Evaluation and stratification of risk factors for post ERCP pancreatitis in patients with obstructive jaundice), for Dr: Mohamad Ahmad Omar, assistant lecture in general surgery department, Sohag university Hospitals, Sohag, at October; 2013.

- 21) Member of scientific committee for evaluation of M. Sc. thesis (post-operative bile duct injuries), for Dr: Mohamad Ashoor Gomaa, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at December; 2013.
- 22) Member of scientific committee for evaluation of M. Sc. essay (Recent lines in the diagnosis and management of perianal fistula), for Dr: Mahmoud Abozeid Mahmoud, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at December; 2013.
- 23) Member of scientific committee for evaluation of M. Sc. essay (Management of common bile duct stones), for Dr: Mohamad Ahmad Aref, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at December; 2013.
- 24) Member of scientific committee for evaluation of surgical researches and reports in Sohag medical journal since Jun. 2014.
- 25) Member of faculty ethical committee for approval of scientific researches and reports in Sohag faculty of medicine since Jun. 2014.
- 26) Member of scientific committee for evaluation of M. Sc. essay (Laparoscopic right hemicolectomy), for Dr: Mohamad Mostafa Hussain, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at March; 2014.
- 27) Member of scientific committee for evaluation of M. Sc. essay (Oncoplastic techniques in surgery for breast cancer), for Dr: Nagm Eldeen Aboelnaga, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at March; 2014.
- 28) Member of scientific committee for evaluation of M. Sc. thesis (Total thyroidectomy replaces subtotal thyroidectomy as the preferred surgical treatment of Grave's disease), For Dr: Abdel Naser Ali Abdelmottalib , resident doctor in general surgery department, Assuit University Hospitals, Assuit, at Jan.; 2015.
- 29) Member of scientific committee for evaluation of M. Sc. thesis (Primary versus staged repair of esophageal atresia: A comparative study), For Dr: Ahmad Gamal Abdelmalek , resident doctor in general surgery department, Assuit University Hospitals, Assuit, at Feb.; 2015.
- 30) Member of scientific committee for evaluation of M. Sc. thesis (Incidence and outcome of small intestinal neoplasms), For Dr: Ebram Abdalla Mickaeel , resident doctor in general surgery department, Assuit University Hospitals, Assuit, at March.; 2015.
- 31) Member of scientific committee for evaluation of M. Sc. thesis (Post cholecystectomy biliary injuries, and updated techniques of management), For Dr: Mohamad Ahmad Fawaz , resident doctor in general surgery department, Assuit University Hospitals, Assuit, at Feb.; 2015.
- 32) Member of scientific committee for evaluation of M. Sc. thesis (Normal versus pathological appendix in clinically suspected acute appendicitis), For Dr: Ahmad Mohamad Nooby , resident doctor in general surgery department, Assuit University Hospitals, Assuit, at March.; 2015.
- 33) Member of scientific committee for evaluation of M. D. thesis (Surgical management of ventral hernia), for Dr: Ola Mohamad Alsherif, surgical specialist in general surgery department, Sohag AlHelal Insurance Hospitals, Sohag, at March; 2015.

- 34) Member of scientific committee for evaluation of M. Sc. thesis (Post Endoscopic Retrograde Cholangio-Pancreatography pancreatitis), For Dr: Sara Mohammad Habib, resident doctor in general surgery department, South Valley University, Qena Hospitals, at Juli; 2015.
- 35) Member of scientific committee for evaluation of M. Sc. thesis (Predictors of outcome in patients with traumatic liver injury), For Dr: Ahmad Helmy, resident doctor in general surgery department, Sohag University Hospitals, Sohag, at Aug.; 2015.
- 36) Member of scientific committee for evaluation of M. Sc. thesis (Hyperthermic intraperitoneal chemotherapy for metastatic colorectal cancer: Critical review of clinical outcome), For Dr: Mahmoud Abdel-Ghany, resident doctor in general surgery department, Sohag University Hospitals, Sohag, at Aug.; 2015.
- 37) Member of scientific committee for evaluation of M. Sc. thesis (Incidence, and prevalence of fistula in ano in surgery outpatient clinic, Assuit university hospitals), For Dr: Mohamad Rabea, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at January; 2016
- 38) Member of scientific committee for evaluation of M. Sc. thesis (incidence and presentation of pediatric congenital hernia), For Dr: Mohamad AlNooby, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at January; 2016.
- 39) Member of scientific committee for evaluation of M. Sc. thesis (Local anesthesia for inguinal hernia repair), For Dr: Abdelrahman Ali Hussein, resident doctor in Kom-Ombo hospital, general surgery department, Assuit University Hospitals, Assuit, at January; 2016
- 40) Member of scientific committee for evaluation of M. Sc. thesis (Recent different modalities in management of ventral hernia), For Dr: Emad Karam Ayad, resident doctor in Qena University hospital, general surgery department, South Valley University, at July; 2016
- 41) Member of scientific committee for evaluation of M. Sc. thesis (Catheter directed thrombolysis for management of acute thrombotic limb ischemia; early outcomes in Sohag), For Dr: Mostafa Abdel-Magied Ragab, resident doctor in Sohag University hospital, vascular surgery department, at July; 2016
- 42) Member of scientific committee for evaluation of M. Sc. thesis (Spillage of stones after laparoscopic cholecystectomy in Azhar Assuit University Hospital), For Dr: Ismaeel Mohamad, resident doctor in general surgery department, Azhar Assuit University Hospitals, Assuit, at Juli; 2017.
- 43) Member of scientific committee for evaluation of M. Sc. thesis (Inguinal hernia repair, laparoscopic versus open approach), For Dr: Ahmad Refaat Mahmoud, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at September; 2017.
- 44) Member of scientific committee for evaluation of M. Sc. thesis (Oncoplastic Breast Surgery: Current Strategies and Outcome), For Dr: Mahmoud Mohamad AbdelBaky, resident doctor in Sohag University hospital, General surgery department, Sohag University, at January; 2018

- 45) Member of scientific committee for evaluation of M. D. thesis (Role of Partial Hepatectomy in The Management of Hepatic Trauma), for Dr: Ahmad Sadek Mohammed, surgical specialist in general surgery department, Assuit University Hospitals, Assuit, at February; 2018.
- 46) Member of scientific committee for evaluation of M. Sc. thesis (Prospective evaluation of surgical management strategy of thyroid diseases in Assuit University Hospitals; A clinical audit), for Dr: Ahmad Abdou Gad, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at February; 2018.
- 47) Member of scientific committee for evaluation of M. Sc. thesis (Fissurectomy with or without anoplasty for treatment of chronic anal fissure), For Dr: Mostafa Farrag Ahmad, resident doctor in Sohag University hospital, General surgery department, Sohag University, at February; 2018
- 48) Member of scientific committee for evaluation of M. Sc. thesis (Surveillance of surgical site infection in general surgery department at Sohag University hospital), For Dr: Hala Abdelaal Ahmed, resident doctor in microbiology& immunology department, Sohag University, at March; 2018.
- 49) Member of scientific committee for evaluation of M. D. thesis (Immediate metabolic response following sleeve gastrectomy in obese diabetics), for Dr: Mohammed Esmat Bakhiet, surgical specialist in general surgery department, Azhar University Assuit branch, Assuit, at March; 2018.
- 50) Member of scientific committee for evaluation of M. Sc. thesis (Tailored Lateral Internal Sphincterotomy in Management of Chronic Anal Fissure with Hypertonic Internal Anal Sphincter. A modified minimal invasive technique and its clinical and manometric outcome.), for Dr: Beshoy Girges Aied, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at March; 2018.
- 51) Member of scientific committee for evaluation of M. D. thesis (Post ERCP pancreatitis), for Dr: Alaa Abdel-Wareth, assistant lecturer in GIT Unit, general medicine department, faculty of medicine, Assuit University, Assuit, at July; 2018.
- 52) Member of scientific committee for evaluation of M. Sc. thesis (Total Versus Subtotal Thyroidectomy in Multinodular Goiter.), for Dr: Fahd Abd El-Raheem Ahmed, resident doctor in general surgery department, Assuit University Hospitals, Assuit, at March; 2019.
- 53) Member of scientific committee for evaluation of M. Sc. thesis (Total Thyroidectomy: Conventional suture ligation technique versus suture less techniques), for Dr: Mahmoud Naser, resident doctor in general surgery department, Sohag University Hospitals, Sohag, at Jun; 2019.
- 54) Member of scientific committee for evaluation of M. D. thesis (Impact of graft steatosis on post-operative complications after liver transplantation), for Dr: Emad Ali Ahmad, assistant lecturer in general surgery department, faculty of medicine, Sohag University, Sohag, at August; 2019.
- 55) Editorial reviewer of article (Manuscript ID: SMJ-1909-1060; Titled: Comparison Between Adjuvant 6 Cycles Chemotherapy versus 8 Cycles in Node-Positive Breast Cancer) submitted online for publication in Sohag medical journal (<https://smj.journals.ekb.eg/reviewer>), faculty of medicine, Sohag University, Sohag, Egypt, at September; 2019.

- 56) Member of scientific committee for evaluation of M. Sc. thesis (Recent trends in management of burst abdomen.), for Dr: Medhat Ramadan Tadrous, resident doctor in general surgery department, Alqusia Hospital, Assuit, at December; 2019.
- 57) Member of scientific committee for evaluation of M. D. thesis (Comparative study between laparoscopic Roux-en-Y gastric bypass and laparoscopic sleeve gastrectomy - prospective study), for Dr: Mostafa Mahmoud Ibrahim, assistant lecturer in general surgery department, faculty of medicine, Assuit University, Assuit, at Mars; 2020
- 58) Member of scientific committee for evaluation of M. D. thesis (Digital image analysis compared to conventional cytology in diagnosing the nature of biliary ducts stricture), for Dr: Ahmad Mohamad Abu-El-Fatth, assistant lecturer tropical medicine and gastroenterology department, faculty of medicine, Assuit University, Assuit, at January; 2020
- 59) Member of scientific committee for evaluation of M. Sc. thesis (Evaluation of the role of laparoscopic management of perforated appendicitis), for Dr: Sameer Hosny Mahmoud, resident doctor in general surgery department, Assuit University Hospital, Assuit, February; 2020.
- 60) Member of scientific committee for evaluation of M. Sc. thesis (Inguinal hernioplasty: Comparative study between open trans-inguinal preperitoneal, and Lichtenstein procedures; A prospective randomized controlled trial), for Dr: Mohamad Hamdy Sayed, resident doctor in general surgery department, Assuit University Hospital, Assuit, at September; 2020.
- 61) Member of scientific committee for evaluation of M. Sc. thesis (Recent advances in robotic surgery for colon and rectal cancer), for Dr: Hosny Mobarak Mohammed, resident doctor in general surgery department, Qena University Hospital, South Valley University, at March; 2021.
- 62) Member of scientific committee for evaluation of M. D. thesis (Impact of Laparoscopic Banded Gastric Bypass on Weight Loss Surgery Outcomes; Five Years of Experience), for Dr: Abdel-Rahman Mohamad Galal, assistant lecturer in general surgery department, faculty of medicine, Sohag University, Sohag, at December; 2021.
- 63) Member of scientific committee for evaluation of M. Sc. thesis (Laparoscopic cholecystectomy in cirrhotic patients), for Dr: Mohamad Abdelfattah Elsherif, resident doctor in general surgery department, Assuit University Hospital, Assuit, at February; 2022.
- 64) Member of scientific committee for evaluation of M. Sc. thesis (Local repair of umbilical hernia in cirrhotic patients using intra-abdominal onlay mesh techniques), for Dr: Hosam Mohamad Zaher, resident doctor in general surgery department, Assuit University Hospital, Assuit, at March; 2022.
- 65) The external evaluation member of scientific program and courses specifications of HBP sector - General Surgery Course – Student courses 5+2 Program prior accreditation process in quality assurance unit, Faculty of medicine, South Valley University hospitals at October 2022.
- 66) Member of scientific committee for evaluation of M. Sc. thesis (Intracorporeal Versus Extracorporeal Anastomosis In Laparoscopic Right Hemicolectomy In Right Sided Colonic Cancer), for Dr: Antonios Gerges Dawood, resident doctor in general surgery department, Minia University Hospital, Minia, at February; 2023.

- 67) .. Member of scientific committee for evaluation of M. Sc. thesis (Conventional Versus Enhanced Recovery After Surgery Protocols for Emergency GIT Surgery), for Dr: Ramy Raouf Rida, resident doctor in general surgery department, Assuit University Hospital, Assuit, at Marsh; 2023.
- 68) The external evaluation member of Master degree scientific program and courses specifications of general surgery prior accreditation process in quality assurance unit, Faculty of medicine, Al-Minia University; at April 2023.
- 69) Member of scientific committee for evaluation of M. Sc. thesis (Comparative study between different modalities of common bile duct closure after exploration and choledocholithotomy), for Dr: Mohammad Ahmad Talaat, resident doctor in general surgery department, Minia University Hospital, Minia, at November; 2023.
- 70) Member of scientific committee for evaluation of M. D. thesis (Evaluation of Volume Displacement Techniques in Oncoplastic Breast Surgery for Breast Cancer), for Dr: Noha Abdullah Mahmoud Mohamed, assistant lecturer in general surgery department, faculty of medicine, Sohag University, Sohag, at May; 2024.
- 71) Member of scientific committee for evaluation of M. Sc. thesis (Challenges in Management of Abdominal Trauma in Sohag University Hospital; A Prospective Study), for Dr: Michael Ashraf Sabry, resident doctor in general surgery department, faculty of medicine, Sohag University, Sohag, at July; 2024.
- 72) Member of scientific committee for evaluation of M. D. thesis (Single-Stage Laparoscopic Management for Concomitant Gallstones and Common Bile Duct Stones Versus Two Stages Using ERCP Procedures), for Dr: Mohammed Tag El-din Mohammed Sayed, consultant in general surgery department, Qena health authority, that was held in Sohag University, Sohag, at April; 2025.
- 73) Member of scientific committee for evaluation of M. D. thesis (Evaluation of different modalities (surgery and endoscopy) in management of indeterminate lower common bile duct stricture), for Dr: Mohamed El-Sayed Abdel Aal Abdel Aziz, assistant lecturer in general surgery department, faculty of medicine, Sohag University, Sohag, at July; 2025.
- 74) Member of scientific committee for evaluation of M. Sc. thesis (Predictors of Difficult Laparoscopic Cholecystectomy; Scoring System and Their Implications on the Outcomes), for Dr: Mahmoud Fahmy Mahmoud Elan, resident doctor in general surgery department, faculty of medicine, Sohag University, Sohag, at August; 2025.
- 75) Member of scientific committee for evaluation of M. Sc. thesis (Outcomes of laparoscopic versus open repair of inguinal hernia), for Dr: Abdel-Aziz Mohammad Abdel-Aziz, resident doctor in general surgery department, faculty of medicine, Sohag University, Sohag, at August; 2025.
- 76) Member of scientific committee for evaluation of M. Sc. thesis (Hernial sac ligation and excision versus invagination using purse string suture in Lichtenstein hernioplasty for indirect inguinal hernia; a prospective randomized clinical trial), for Dr: Mohammad Gad Mahran, resident doctor in general surgery department, faculty of medicine, Qena University, Qena, at September; 2025.

- 77) Member of scientific committee for evaluation of M. Sc. thesis (Hughes repair versus onlay mesh hernioplasty for midline incisional hernia; A randomized controlled trial), for Dr: Tomas Magdy Fouad, resident doctor in general surgery department, faculty of medicine, Qena University, Qena, at September; 2025.
- 78) Member of scientific committee for evaluation of M. Sc. thesis (The surgical versus non-surgical management of the appendicular abscess; A prospective cohort study), for Dr: Makarios Moheb Sedky, resident doctor in general surgery department, faculty of medicine, Qena University, Qena, at September; 2025.
- 79) Member of scientific committee for evaluation of M. D. thesis (Minimally Invasive Surgery for Esophageal cancer; Feasibility and Outcome), for Dr: Ahmad Abdelraheem Ahmad, assistant lecturer in general surgery department, faculty of medicine, Sohag University, Sohag, at October; 2025.
- 80) Member of scientific committee for evaluation of M. D. thesis (Efficacy of the Triangle operation on clinical outcomes in patients with Pancreatic Cancer), for Dr: Hosam abdellatif Mohamad, assistant lecturer in general surgery department, faculty of medicine, Sohag University, Sohag, at October; 2025.
- 81) ...

National Reviewer in The Supreme Council of Universities; National Committee for Promotion of University Staff (Professors, and Ass. Professors):

- 1) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Usama Hegazy Abdel-Salam; lecturer of surgery, HPB surgery department, national liver institute, Minoufia University, Egypt) for the promotion to assistant professor degree in general surgery. January 2014.
- 2) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Sherif Mohammad Saleh; lecturer of surgery, HPB surgery department, national liver institute, Minoufia University, Egypt) for the promotion to assistant professor degree in general surgery. May 2014.
- 3) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Feras Mohammad Zahr-Eldeen; lecturer of surgery, Plastic surgery department, Ain Shams University, Egypt) for the promotion to assistant professor degree in general surgery. July 2014.
- 4) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Samy Mohammad Alnabawy; lecturer of surgery, HPB surgery department, national liver institute, Minoufia University, Egypt) for the promotion to assistant professor degree in general surgery. December 2014.
- 5) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Taha Eid Yasin Ali; lecturer of surgery, HPB surgery department, national liver institute, Minoufia University, Egypt) for the promotion to assistant professor degree in general surgery. January 2015.
- 6) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Mostafa Abdo Mohammad; lecturer of surgery, surgery department, Ain Shams University, Egypt) for the promotion to assistant professor degree in general surgery. July; 2015.

- 7) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Waiel Salah El-Deen Mansy; lecturer of surgery, general surgery department, Zagazig University, Egypt) for the promotion to assistant professor degree in general surgery. January; 2016.
- 8) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Morsy Mohammad Morsy; lecturer of surgery, general surgery department, Zagazig University, Egypt) for the promotion to assistant professor degree in general surgery. August 2016.
- 9) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Ayman Al-Saied Mohammad; assistant professor in general surgery department, Mansura University, Egypt) for the promotion to Professor degree in general surgery. August 2016.
- 10) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Waleed Adel Askar; assistant professor in general surgery department, Mansura University, Egypt) for the promotion to Professor degree in general surgery. October; 2016.
- 11) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Wael Lotfy Mosaad; assistant professor in general surgery department, Mansura University, Egypt) for the promotion to Professor degree in general surgery. December 2016.
- 12) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Waiel Salah El-Deen Mansy; lecturer of surgery, general surgery department, Zagazig University, Egypt) for the promotion to assistant professor degree in general surgery. January 2016.
- 13) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Salah Moawad Hasanein; lecturer of surgery, general surgery department, Ain Shams University, Egypt) for the promotion to assistant professor degree in general surgery. January 2017.
- 14) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Hosam El-Deen Mohammad Saied; assistant professor in general surgery department, National liver institute, Minoufia University, Egypt) for the promotion to Professor degree in general surgery. February 2017.
- 15) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Ehab Mahrous Awad; lecturer of surgery, general surgery department, Banha University, Egypt) for the promotion to assistant professor degree in general surgery. May 2017.
- 16) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Amr Mamdouh Abdel-Kader; lecturer of surgery, general surgery department, medical investigation institute, Alexandria University, Egypt) for the promotion to assistant professor degree in general surgery. May 2017.
- 17) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Mohammad Taha Mohammad; lecturer of surgery, general surgery department, National liver institute, Minoufia University, Egypt) for the promotion to assistant professor degree in general surgery. Jun; 2017.
- 18) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Usama Abdel-Aziz Mohammad; lecturer of surgery, general surgery department, Zagazig University, Egypt) for the promotion to assistant professor degree in general surgery. November 2017.

- 19) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Medhat Mohammad Helmy; lecturer of surgery, general surgery department, Ain Shams University, Egypt) for the promotion to assistant professor degree in general surgery. April 2018.
- 20) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Sherif Mohammad Saleh; assistant professor in general surgery department, National liver institute, Minoufia University, Egypt) for the promotion to Professor degree in general surgery. Jun; 2019.
- 21) Reviewer in scientific committees to examine the scientific production of applicant (Dr: Ahmad Samy Mohammad; lecturer of surgery, general surgery department, Ain Shams University, Egypt) for the promotion to assistant professor degree in general surgery. August; 2019.
- 22) ...

Retrospective Study of 22 Cases; for publishing in World Journal of the surgery (manuscript ID WJS -21 - 01 - 0006), in April 2021

57. Greater than or Equal to 8mm is a Safe Diameter of Common Bile Duct for Primary Duct Closure: Single-arm Meta-analysis and Systematic Review; for publishing in Journal of Investigative Surgery (manuscript ID UIVS-2021-0764), in August 2021

58. Prospective study to evaluate the safety and efficacy of a new surgical tube fixation method: A pilot study; for publishing in World Journal of the surgery (manuscript ID WJS -21 - 09 - 1609), in September 2021

59. Complete agenesis of dorsal pancreas and malformed vertebrae: Review of literature and case report; for publishing in Journal of the Pancreas (Ref.: Ms. No. ipp-21-10412), in September 2021.

60. A Case of Acute Mechanical Bowel Obstruction by Intestinal Ascariasis in a Child in The Era of Routine Deworming Prevention: Can This Infestation Be Eradicated? for publishing in Journal of Surgery (Ref.: JSURG - 1427), in September 2021.

61. Utilization of Neutrophils-to-Lymphocytic Ratio as a marker for Post-operative Pain in Patients Undergoing Harmonic Cholecystectomy: A single-center study; for publishing in the Egyptian Journal of Surgery (manuscript: ejs - 282 - 21), in October 2021.

62. Analysis of the effect of laparoscopic pancreaticoduodenectomy in elderly patients: a single center study from Northeast China; for publishing in Journal of Investigative Surgery (manuscript ID UIVS-2021-0890), in October 2021

63. Comparative study between general surgeons and residents in general surgery in laparoscopic cholecystectomy; for publishing in Journal of Investigative Surgery (manuscript ID UIVS-2021-0983), in November 2021

64. Death of a woman following an abandoned endoscopic retrograde cholangio-pancreatography (ERCP) procedure for common bile duct calculi; for publishing in the SAGE Open Medical Case Reports Journal (manuscript: SOMCR-21-0467), in October 2021.

65. The feasibility of routine preoperative MRCP in acute cholecystitis: a population-based study; for publishing in Journal of Investigative Surgery (manuscript ID UIVS-2021-1001), in November 2021.

66. A Case of Iatrogenic Biliary Fistulous Tract Managed by Endoscopic Measures; for publishing in Exploration of Medicine Journal (manuscript ID EM-2021-0076.R1), in December 2021.

67. Anaesthetic Management of Anaphylactic Shock Caused by ruptured Hydatid Cyst of the Liver: A case report; For publishing in Journal of Pharmaceutical Research International (Ms JPRI 81583), in January 2022.

68. Applications of Indocyanine Green Fluorescence Imaging Technology in laparoscopic cholecystectomy plus bile duct exploration: Choice for Patients with Difficult exploration; for publishing in Journal of Investigative Surgery (manuscript ID UIVS-2021-1158), in January 2022.

69. **Comparison of clinical effects of laparoscopic Choledochoscopic gallbladder-preserving surgery and percutaneous cholecysto-lithotomy: A Retrospective Study;** for publishing in [Journal of Investigative Surgery \(manuscript ID UIVS-2021-1152\)](#), in January 2022.
70. **Micro Hand robot-assisted versus da Vinci robot-assisted cholecystectomy: a multi-center, randomized controlled trial;** for publishing in [World Journal of the surgery \(N-SW-35\)2 \(manuscript ID WJS-21-11-2080\)](#), in January 2022
71. **Sleeve Gastrectomy and Cholecystectomy are Safe in Obese Patients with Asymptomatic Cholelithiasis. A Multicenter Randomized Trial;** for publishing in [World Journal of the surgery \(N-SW-35\)2 \(manuscript ID WJS -21 - 12 - 2191\)](#), in January 2022.
72. **The efficacy and safety in laparoscopic common bile duct exploration with primary suture versus T-tube drainage;** for publishing in [Hindawi press at Journal of Applied Bionics and Biomechanics \(manuscript ID 7300519\)](#), in October 2022
73. **Laparoscopic common bile duct exploration in patients with a previous history of biliary tract surgery;** for publishing in [Journal of Visualized Experiment \(manuscript ID JoVE64888\)](#), in October 2022.
74. **Robot assisted common bile duct exploration in elective and emergency patients;** for publishing in [Journal of Minimally Invasive Therapy & Allied Technologies \(manuscript ID - MITAT-2022-OR - 0200\)](#), in November 2022.
75. **A comparative study of laparoscopic choledocholithotomy with primary suture and T-tube drainage;** for publishing in [Journal of advances in clinical and experimental medicine \(manuscript ID – ACEM – 07447 – 2022 - 01\)](#), in December 2022.
76. **Construction and validation of a nomogram predicting conversion to open surgery in laparoscopic common bile duct exploration;** for publishing in [World Journal of the surgery \(manuscript ID WJS -22 - 11 - 1895\)](#), in January 2023.
77. **Inadvertent Gallbladder stenting during Endoscopic management of Choledocholithiasis detected during laparoscopic cholecystectomy: A Case Report;** for publishing in [Asian journal of research in surgery \(Ms AJCRMH 95737\)](#), in January; 2023.
78. **Can the Parkland Grading Scale predict the difficulty of laparoscopic cholecystectomy? A new approach to validation;** for publishing in [BMC Surgery \(Springer Nature SNAPP\)](#), in March 2023.
79. **Laparotomy versus laparoscopy cholecystectomy for surgical treatment in patients with gallstone disease: a comparative cost-effectiveness analysis;** for publishing in [BMC Surgery \(Springer Nature SNAPP\)](#), in April 2023.
80. **Primary Gallbladder B-cell Lymphoma as a Finding in Post Cholecystectomy with Diffuse Gallbladder Wall Thickening: A Case Report;** for publishing in [Journal of Surgical Procedures and Case Reports \(JSPCR\) \(JSPCR-P-2951\)](#), in April 2023.
81. **Laparoscopic Cholecystectomy Based on Laennec Approach via the Cystic Plate with Lymphadenectomy in Calot's Triangle for Gallbladder Neoplasms; initial experience and technical details;** for publishing in [BMC Surgery \(Springer Nature SNAPP\)](#), in May 2023.

82. Endoscopic retrograde cholangiopancreatography versus conservative treatment for patients with symptomatic small common bile duct stones: A randomized controlled trial; for publishing in [South Valley University International Journal of Medical Sciences \(SVUIJM\)](#), in August; 2023.
83. Feasibility and safety of primary suture in laparoscopic common bile duct exploration without biliary drainage: A retrospective study; for publishing in [Springer Nature SNAPP – Scientific Reports](#), in September; 2023.
84. Role of Antegrade Biliary Stenting in Common Bile Duct Exploration for Biliary Stone Disease - Systematic Review and Meta-analysis; for publishing in [The Surgeon \(Journal of the Royal Colleges of Surgeons of Edinburgh and Ireland\)](#), in May; 2024.
85. Combined Laparoscopic Cholecystectomy and Trans-cystic Common Bile Duct Exploration for Choledocholithiasis; for publishing in [Medical Review Journal](#), in July; 2024.
86. PREVALENCE OF PANCREATIC INTRAEPITHELIAL NEOPLASIA AMONG RESECTABLE PANCREATIC SPECIMENS IN A PRIVATE TERTIARY CARE SETTING IN TAIWAN; for publishing in [Journal of the Pancreas \(20827-0-Manuscript-2024-07-18: jpp-24-20827\)](#), in July 2024.
87. The role of prokinetics on digestive tract; for publishing in [Sohag Medical Journal \(manuscript: SMJ-2503-1549-1-2\)](#), in April 2025.
88. The spleen after blunt injuries in children: a salvageable organ with conservative treatment; for publishing in [Sohag Medical Journal \(manuscript: SMJ-2504-1557\)](#), in May; 2025.
89. Comparative study between the use of topical glyceryl trinitrate vs topical calcium channel blocker (diltiazem) in treatment of chronic anal fissure; for publishing in [Al-Azhar Assiut Medical Journal \(manuscript: azmj- 68 – 25\)](#), in July 2025.
90. Single-Incision Plus One-Port Laparoscopic Choledocholithotomy with Primary Suture for Choledocholithiasis; for publishing in [Journal of Visualized Experiments \(manuscript: JoVE - 69561\)](#), in September 2025.
91. Spontaneous Rectus Sheath Hematoma: Beyond Hematoma Size, Volume, and Treatment Method—The Dominant Influence of Comorbidity on Prognosis and Mortality; for publishing in [Journal of Medicine \(manuscript: MD-D-25-14961\)](#), in November 2025.
92. >>>

Honors and prizes:

- 1) Graduation by very good degree with honors, and priority (the 10th position), September 1998, Assuit faculty of medicine, Assuit university, Assuit
- 2) Promotion in academic M.Sc. degree (Master of surgery science), with excellent degree and 1st position, general surgery department, Assuit faculty of medicine, Assuit University, Assuit, April 1994
- 3) Honored with appreciation from October the 6th University, for high university promotion that was given for Egyptian delegates from other universities.

- 4) Promotion in academic M. D. degree in Gastrointestinal surgery and Laparo-endoscopy, (Hepato-biliary endoscopy), as the 1st time in Upper Egypt to introduce this type of endoscopy. October 1999, Assuit Faculty of medicine, Assuit University Hospital, Assuit.
- 5) Honored to implement for the first time in Upper Egypt an ERCP unit in Assuit University Hospital, with a lunching ceremony by the university rector, faculty dean, hospital manager, and surgery department chairman, 1994 – 1995 to start since then, its benefit extends to AlMinia, Assuit, Sohag, Qina, Luxor, Aswan, New Valley, and red sea governorates.
- 6) Honored with appreciation from community medicine and public health department, Assuit faculty of medicine, Assuit University for good cooperation and joined effort in public medical services in Upper Egypt countryside, 1999.
- 7) Honored with appreciation from the vice dean of faculty of medicine for social services and community development for effort and services with student affairs and community medicine department, in 2000.
- 8) Honored with appreciation from community medicine and public health department, Assuit faculty of medicine, Assuit University for good cooperation and joined effort in public medical services in Upper Egypt countryside, 2000/2001.
- 9) Honored with appreciation from community medicine and public health department, Assuit faculty of medicine, Assuit University for good cooperation and joined effort in public medical services in Upper Egypt countryside, 2001/2002.
- 10) Honored with appreciation from community medicine and public health department, Assuit faculty of medicine, Assuit University for good cooperation and joined effort in public medical services in Upper Egypt countryside, 2002/2003.
- 11) Honored with appreciation from the vice dean of faculty of medicine for social services and community development for effort and services with student affairs and community medicine department, in 2003.
- 12) Honored with appreciation from the dean of faculty of medicine, Assuit University, for participation in the workshop about house officer medical and ethical training program, 3 – 7 July 2004.
- 13) Honored with appreciation from the vice dean of faculty of medicine for social services and community development for effective participation in family doctor training programs – surgical aspects, from 19/Jun – till 10/August 2004.
- 14) Honored with appreciation from the dean of faculty of medicine, Assuit University, for effortless and magnificent participation in the quality assurance program in the faculty that ends with faculty accreditation from national committee for education quality assurance, signed by the dean of the faculty, and program director.
- 15) Honored with appreciation from the University rector, and the dean of faculty of medicine, Assuit University, for effortless and magnificent participation in the quality assurance program in the faculty that ends with faculty accreditation from national committee for education quality assurance, signed by university rector, and Faculty dean.
- 16) Honored to be one of the youngest professors allover Assuit University, Faculty of medicine, with the Ph.D. academic promotion in 2010. (*Date of birth 5-1-1966*).
- 17) The cover page of journal of laparo-endoscopic and advanced surgical techniques (Vol. 22, No. 6, July 2012;) is one of cases in the research (*COMPLEX POST CHOLECYSTECTOMY BILIARY INJURIES: MANAGEMENT WITH 10 YEARS EXPERIENCE IN MAJOR REFFERAL CENTER*), that was published in the same issue page 539 – 549.
- 18) Honored to be an international peer reviewer in many international journals all over the world:

- a) Archives of international surgery journal
- b) Asian journal of research in surgery
- c) Cancer Management and Research Journal
- d) Clinical and Experimental Gastroenterology Journal
- e) Clinical and Medical Case Reports journal
- f) International Journal of Medical and Pharmaceutical Case Reports
- g) Journal of Digestive Diseases and Hepatology
- h) Journal of Hepato-Biliary Pancreatic Sciences (JHBPS)
- i) Journal of investigative surgery
- j) Journal of Multidisciplinary Healthcare
- k) Journal of obesity and weight loss therapy
- l) Journal of pancreas
- m) Journal of Pharmaceutical Research International
- n) Journal of Surgery
- o) Journal of Surgery and Surgical research
- p) Minimal invasive surgery (Hindawi press)
- q) Open Access Surgery Journal
- r) Open journal of trauma
- s) The Gastrointestinal & Digestive System Journal
- t) The International Journal of General Medicine
- u) The International journal of nanomedicine
- v) The International journal of Surgery
- w) The Journal Clinics in Surgery
- x) The Journal of Clinical Epidemiology
- y) World Journal of Surgery
- z) SAGE Open Medical Case Reports Journal
- aa) Exploration of Medicine Journal
- bb) Minimally Invasive Therapy & Allied Technologies
- cc) International Journal of Clinical Practice
- dd) The Surgeons
- ee) Medical Review Journal
- ff) Journal of Visualized Experiments
- gg) Medicine Journal

19) Honored to be a reviewer in national journals as:

- a) Assuit medical journal
- b) Sohag medical journal
- c) Azhar Assuit medical journal
- d) Egyptian journal of surgery
- e) South Valley University International Journal of Medical Sciences

20) Honored to be an editorial board member in national journals as:

- 1. Assuit medical journal
- 2. Sohag medical journal

21) Honored to be editor-in-Chief of:

- i. Merit Medical Journal

22) Honored to be an editorial board member in international journals as:

- a) Journal of Digestive Diseases and Hepatology.
- b) Journal of Surgery and Surgical research
- c) Journal of Medical Case Reports
- d) Surgery-annals of medical case report
- e) Clinical Journal of Surgery
- f) Journal of Surgery

23) Honored to implement for the first time an ERCP unit in Sohag University Hospital 2013, to start since then, its benefit extends to Sohag, Qena, Luxor, Aswan, and red sea governorates.

24) Honored to be one of the members in hearing committee for choosing lectures in general surgery, faculty of medicine, Aswan university from delegates by reviewing dissertations, articles, scientific papers, examining their capabilities for academic career.

25) Honored to be one of the national reviewers for university academic promotion supreme committee, for promotion of professors and assistant professors in general surgery, hepatobiliary pancreatic surgery 2012 – 2016 - 2019.

26) Honored for great experience in the field of GIT surgery, trauma surgery, endoscopic techniques either diagnostic or therapeutic, laparoscopic surgery, etc, from great professors and trainers during the career.

27) Honored by invitation letters to be one of the chairpersons and panelists in several national and international conferences and meeting in the field of GIT surgery, hepatic and pancreatic surgery, endo-laparoscopic surgery as:

- a. International gastrointestinal endoscopy conference Theodor Bilharz's research institute, in collaboration with American gastrointestinal endoscopy, and European gastrointestinal endoscopy
- b. International laparoendoscopic conference, the Egyptian society of surgeons
- c. Assuit annual conference and workshop of basic and advanced GIT endoscopy and ERCP, Assuit, Egypt
- d. The annual international congress and workshop of the Egyptian society of laparoscopic surgery (ESLS), in collaboration with Meditranian & Middle east endoscopic surgery association (MMESA), and Egyptian society of metabolic & bariatric surgery (ESSMBS).
- e. Medical congress in upper Egypt of ESTIP group
- f. International meeting of hepato-pancreato-biliary, liver transplant surgery, anaesthesia and intensive care departments, national liver institute, Minofia university
- g. Medical congress of Sohag faculty of medicine, Sohag Universty
- h. International conference of the Egyptian hepato-pancreato-biliary surgery, HPB club, in collaboration with Egyptian-Italian association
- i. National Medical congress of Al-Hayah hospital, Sohag
- j. Sohag annual conference and workshop of basic and advanced GIT endoscopy and ERCP, Sohag
- k. International medical congress of GIT, tropical medicine department, Assuit University, Assuit
- l. International medical congress of GIT, tropical medicine department, Alazhar University, Assuit.
- m. The annual Sohag international conference of surgery, laparo-endoscopy, and oncology
- n. The annual conference of the Egyptian association of maxillofacial & head and neck surgery (EAMHNS)
- o. The annual conference and summer meeting of the Egyptian society of surgeons (ESS), in collaboration with pan-Arab association of surgeons (PAS)

- p. The annual conference of the Egyptian group of colon and rectal surgeons in collaboration with the Egyptian society of surgeons
- q. The scientific meeting of Minia department of surgery in collaboration with the Egyptian society of surgeons (Basic surgical skills); Minia, Egypt
- r. The annual conference of gastro-enterology and hepatology unit, internal medicine department, Faculty of medicine, Sohag University
- s. The Annual scientific day of Minia University liver center (MULC) in collaboration with Minia society for liver and gastroenterology (MSLG), Egyptian association for study of liver and gastrointestinal diseases (EASLGD), Budd Chiari study group (BCSG), and Egyptian society for liver cancer (ESLC), Minia University
- t. The annual Kafr Elshiekh GIT & HBP Surgeries Conference organized by general Surgery department, GI and HBP unit; Aloboor Health insurance Hospital, in collaboration with the Egyptian society of surgeons (ESS), and KFS – Medical scientific Society
- u. The international scientific conference of South Egypt Cancer Institute

28) Honored to be the founder and the chairman of Sohag associations for surgeons, gastroenterologists, and oncologists (SASGO) that includes all participants from all these departments in non-profitable organization aiming for welfare of young physicians and doctors and their training, with personal communication grant about 120,000 LE (portable sonar unit, and radiofrequency machine unit).

29) Honored to be the Moderator of the 3rd medical congress in upper Egypt by the Egyptian society of tropical medicine, infectious and parasitic diseases (ESTIP), that was held in Sohag Nile hotel, Sohag, at 26 - 27th March 2015.

30) Honored to be the chairman of Sohag Annual Conference and Workshop of Basic and Advanced GIT Endoscopy and ERCP that was held in Sohag University Hospital, Febr.; 2025.

31) Honored to be the director of Sohag University Center for Endo-Laparoscopic Training (SUCELT), that was launched in Sohag University Hospital, 2015 with personal communication grant about 100,000 LE.

32) Honored to be the Secretary general of Sohag Annual international Conference of Surgery, Laparo-Endoscopy and oncology that was held in Alzohoor hotel, Sohag, at 4-5th November; 2015.

33) Honored to be chosen by all student in the faculty of medicine, Sohag University, as Teacher of the year 2015, and honored in the honoring session, Sohag annual international conference of surgery, laparoendoscopy and oncology

34) Honored with appreciation from the dean of faculty of medicine, Sohag University, for effortless and magnificent participation in the quality assurance program in the faculty that ends with faculty accreditation from national committee for education quality assurance, signed by the dean of the faculty, and program director 2015.

35) Honored to be the honorary president of the 5th annual Luxor fever hospital meeting, in collaboration with internal medicine department at Luxor general hospital, 17 March, Ebrotel hotel; Luxor, 2016

36) Honored to be the Honorary president of the GIT workshop endorsed by the 5th annual Luxor fever hospital meeting, in collaboration with internal medicine department at Luxor general hospital, March 17th; Luxor general hospital, Luxor, 2016

37) Honored to be chosen as a member in the main administrative board of Endo Egypt association, and chosen as international coordinator of the group, and one of the main scientific national members of the conference held in Radisson blu hotel, Alexandria; 3-5 August 2016.

- 38) Honored to be invited annually as expert endoscopist for the **17th endoscopic workshop of department of tropical medicine and gastroenterology** 30th October – 1st November: GIT endoscopy center, AlRajehy liver hospital, Assuit University Hospitals, Assuit University, Assuit, 2016.
- 39) Honored to be **the Secretary general of Sohag Annual international Conference of Surgery, Lapro-Endoscopy and oncology** that was held in Sohag conference hall, Sohag, at 6-7th November; 2016.
- 40) Honored by the organizing committee of **the scientific meeting of Minia department of surgery in collaboration with the Egyptian society of surgeons** (Basic surgical skills). April 25th – 26th, 2018 Grand Aton Hotel; Minia, Egypt
- 41) Guest of honor in the annual conference of gastro-enterology and hepatology unit, internal medicine department, Faculty of medicine, Sohag University
- 42) Honored to be **one of the national members** for university academic promotion supreme committee, for promotion of assistant professors in general surgery, hepatobiliary pancreatic surgery 2019.
- 43) **The guest of honor and speaker of stand-alone meeting** of Farco pharmaceutical company (America comp. Ultramax) that was held in Hurghada-Desert Rose Resort, December 10th – 12th 2020.
- 44) Honored with appreciation from **the dean of faculty of medicine, Sohag University**, for effortless and magnificent participation in the quality assurance program in the faculty that ends with faculty accreditation from national committee for education quality assurance, signed by the dean of the faculty, and program director 2020.
- 45) Honored with other supervisors for **winning the best dissertation research in Sohag University at 2020; for the thesis (Impact of graft steatosis on post-operative complication after liver transplantation)** by the researcher Dr. Emad Ali Ahmad; assistant lecturer at general surgery department, faculty of Medicine, Sohag University. And received a financial prize from the university for all supervisors and also the researcher.
- 46) Honored to be **the president of upper Egypt conference of surgery, laparo-endoscopy, and oncology (Sohag 2021)** organized by general surgery department, faculty of medicine, Sohag University; 9-12th September at Hurghada city 2021. With pre-congress workshop 6-7th September at Sohag University hospitals, general surgery department.
- 47) Honored to be the **guest of honor and chairman of (Basic and Advanced Laparoscopic Workshop Endorsed by SEDICO Pharmaceutical Company)**, that was held in AESHA ALMARZOOKY LAPAROSCOPY UNIT; general surgery department, Qena general hospital at March 24 – 25th; Qena general hospital, Qena, 2022, where 15 different lap. Surgery cases were successfully operated for demonstration for 35 Surgeon attendant.
- 48) Honored to be one of **the scientific committees of the 23rd international annual conference of the Egyptian society of the colon and rectal surgeons (ESCRS), organized by the Egyptian Society of Colon and Rectal Surgeons (ESCRS), in collaboration with the European Society of Colo-Proctology (ESCP), and accredited by U.E.M.S. 27 hours**, that was held in intercontinental City Star Cairo Hotel, on 31 August – 2 September; 2022.
- 49) Honored to be **the chairman of surgery departments – faculty of medicine – Merit University - New Sohag – Egypt;** started from September 2022
- 50) Honored to be **the founder and editor in chief of Merit Medical Journal (MMJ), that produced by faculty of medicine – Merit University started from January 2023.**
- 51) Honored to be **the founder and the president of the annual scientific conference of faculty of medicine – Merit University** that was organized by faculty of medicine, Merit University; 22nd - 23rd February; 2023 at New-Sohag city. With pre-congress workshops for virtual reality laparoscopic surgery

training; initial assessment, and abdominal sonography assessment. At Merit Education & Skill Improvement Center (MESIC) Faculty of Medicine – Merit University.

52) Honored to be **Sohag scientific moderator** of the pharco pharmaceutical industry scientific meeting (Radiate – The cutting edge in Surgical Excellence) that was held in collaboration with the Egyptian society of surgeons, at Coral Hotel – Sohag at Friday 4th August; 2023.

53) Honored to be one of founders, and the scientific committee members of the Egyptian Society of colorectal surgeons from over 5 years till now, and chairperson in all its scientific activities and conferences.

54) Honored to be one of the expert speaker boards for **Egyptian Society of Surgeons- Penetration Academy Techniques with Hekma (ESS- Path) Basic Laparoscopic skills**; that was organized by Al-Hekma pharmaceutical industry Comp. in collaboration with the Egyptian society of surgeons (ESS)- the Egyptian Laparo-Endoscopy group (ELEG); at JW Cruise, Assuit on 18 August 2023.

55) Honored to be **the president of the 3rd International Medical Conference of Merit University (New Sohag Medical University)** that was organized by Merit University (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 21st - 22nd April; 2024 at Merit University, New-Sohag city.

56) Honored to be **the Guest expert invited in the 2nd General Surgery Department Workshop – Qena University Hospitals – South Valley University** that was organized by general surgery department, at 29th - 30th May; 2024 on (Laparoscopic Common Bile Duct Exploration) - 8 hours lectures – 12 hours live operations, at operation theater rooms, new Qena University hospitals; Qena

57) Honored to be one of the national faculty members of **the 1st Conference of Empowering Women in GI Endoscopy that was endorsed by WIE (women in endoscopy)**; and was held at 12 -13 September, 2024 – AlMasa Hotel, Nasr city; Cairo.

58) Honored to be **the president of the 4th International Medical Conference of Upper Egypt Universities (Merit University – Sohag University – South Valley University – Aswan University - Luxor University)** that will be organized by all Upper Egypt Universities (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 26 - 27 April; 2025 at Merit University-New-Sohag city, and South Valley University-Qena.

59) Honored to be one of the faculty scientific committee, and one of the faculty organizing committee for the 24th, 25th, 26th Annual Conference of the Egyptian Society of Colon & Rectal Surgeons 2025; that was held in Hilton Heliopolis hotel - Cairo- Egypt, at 2023, 2024, and 2025.

60) ..

Publications and conference presentations:

1) RATIONAL OF ERCP AND ITS BENEFIT IN POST CHOLECYSTECTOMY PATIENTS IN ASSUIT.

Published in The Egyptian Journal of Gastroenterology, Vol. 6, No. 1, January 2001; 231-256

2) SYSTMIC CYTOKINE RESPONSE TO LAPAROSCOPIC VERSUS OPEN CHOLECYSTECTOMY. A PROSPECTIVE STUDY.

Published in the Egyptian Journal of Intensive care, Vol. 6, No. 1, March 2001; 375-381

3) HIGH PERI-ANAL FISTULAE, IS THERE IS A PLACE FOR SETON IN THEIR MANAGEMENT?

Published in Assuit Medical Journal, Vol. 25, No. 4, 2001; 45-62

4) INTRA-AND POST ERCP MORBIDITY AND MORTALITYAFTER 500 CASES IN ASSIUT,

Published in Assuit Medical Journal, Vol. 26, No. 1, 2002; 161-182

5) COMPARATIVE STUDY OF DIFFERENT PROCEDURES FOR MANAGEMENT AND PREVENTION OF POST ERCP INFECTIVE COMPLICATIONS?

Published in Medical Journal of Cairo University, Vol. 70, No. 1, March (Suppl.), 2002

6) COMMON BILE DUCT STONES, ENDOSCOPIC MANAGEMENT EXPERIENCE IN 107 CASES,

Published in Assuit Medical Journal, Vol. 26, No. 3, July, 2002; 1-12

7) LAPAROSCOPIC MANAGEMENT OF POST APPENDECTOMY RIGHT ILIAC FOSSA PAIN.

Published in Assiut Medical Journal, Vol. 27, No. 1, January, 2003; 63-74

8) ROLE OF MR CHOLANGIOPANCREATOGRAPHY IN BILIARY OBSTRUCTION – A CLINICO RADIOLOGIC AND OPERATIVE STUDY.

Published in Medical Journal of Cairo University, Vol. 71, No. 3, September, 2003;571-578

9) ENDOSCOPY AND ITS SURGICAL APPLICATIONS, REVIEW OF LITERATURES.

***- Published as oral PPT presentation by author in the 21st annual conference of Assuit medical faculty, Assuit, Mars 2003.**

10) THE USE OF PLASTIC SHIELD TO PROTECT ANASTOMOTIC LINE INTERNALLY IN PRIMARY COLONIC ANASTOMOSIS WITHOUT PREPARATION IN TRAUMATIC COLONIC INJURY IN ASSUIT.

Published in Medical Journal of Cairo University, Vol. 72, No. 2, Jun (Suppl.), 2004; 35 – 45

11) MANAGEMENT OF THIRTEEN CASES OF PACREATIC PSEUDOCYSTS WITH DIFFERENT MODALITIES.

Published in Medical Journal of Cairo University, Vol. 72, No. 2, Jun (Suppl.), 2004; 113 - 127

***- Published as oral PPT presentation by author in the 22th annual conference of Egyptian society of surgeons (ESS), Cairo, February 2004.**

***- Published as poster presentation by the co-author (Mostafa A. Hamad) in the 8th conference of world endoscopic surgery, New York-USA, Marsh 2003.**

12) COMMON BILE DUCT CLEARANCE OF STONES BY SURGERY, ENDOSCOPY AND LAPAROSCOPY (COMPARATIVE STUDY).

Published in Assiut Medical Journal, Vol. 28, No. 3, September, 2004; 121 – 138

13) COMPARATIVE STUDY BETWEEN DIFFERENT SURGICAL TECHNIQUES IN MANAGEMENT OF COMMON BILE DUCT AFTER EXPLORATION AND CHOLEDOCHO-LITHOTOMY.

Published in the Egyptian Journal of Surgery , Vol. 25, No. 1, January, 2006; 38 – 45

<https://www.researchgate.net/publication/314245659> COMPARATIVE STUDY BETWEEN DIFFERENT SURGICAL TECHNIQUES IN MANAGEMENT OF COMMON BILE DUCT AFTER EXPLORATION AND CHOLEDOCHO-LITHOTOMY

14) MULTIDISCIPLINARY APPROACHES FOR MANAGEMENT OF POST - CHOLECYSTECTOMY PROBLEMS, (SURGERY, ENDOSCOPY, AND PERCUTANEOUS APPROACHES).

Published in Assiut Medical Journal; Vol. 30, No. 2, May 2006

15) DIFFERENT SURGICAL OPTIONS IN TREATMENT OF CANCER CARDIA AND LOWER THIRD ESOPHAGEAL CANCER.

Published in Assiut Medical Journal, Vol. 31, No. 2, May, 2007; 89 – 106

16) ACUTE LIMB ISCHEMIA: DELAYED PRESENTATION AND OUTCOME.

Published in Assiut Medical Journal, Vol. 31, No. 3, September, 2007; 1 – 10

17) EFFICACY AND SAFETY OF ENDOXAPARIN COMPARED WITH HEPARINE IN PROPHYLAXIS OF POST OPERATIVE DEEP VENOUS THROMBOSIS IN GENERAL SURGERY.

Published in Assiut Medical Journal, Vol. 31, No. 3, September, 2007; 11 – 16

18) TAILORED LATERAL SPHINCTEROTOMY IN MANAGEMENT OF CHRONIC ANAL FISSURE WITH HYPERTONIC ANAL SPHINCTER. A modified minimal invasive technique and its clinical and manometric outcome.

Published in the Egyptian Journal of Surgery , Vol. 27, No. 2, April, 2008; 57 – 64

19) A RANDOMIZED COMPARATIVE STUDY BETWEEN NEEDLE ASPIRATIONS VERSUS SURGICAL DRAINAGE IN LIVER ABSCESS.

Published in Assiut Medical Journal, Vol. (32), No. (2), May 2008; 155 – 162

20) NATURAL ORIFICE TRANSE LUMINAL ENDOSCOPIC SURGERY (NOTES), INCISIONLESS SURGERY. REVIEW OF LITERATURES.

***- Published as oral PPT presentation by author in the 13th conference of EHPB, Sharm El Sheikh, January 2009.**

***- Published as oral PPT presentation by author in The monthly post graduate meeting in Surgery Department seminar meeting, Sohag University Hospital, General Surgery Seminar Ward; September, 2016.**

21) COMPARATIVE STUDY BETWEEN PANCREATICO – GASTROSTOMY AND PANCREATICO – JEJUNOSTOMY IN WHIPPLE’S RESECTION OPERATION IN ASSUIT.

Published in Medical Journal of Cairo University, Vol. 76, No. 2, (Suppl. III), Jun, 2008; 153 - 160

***- Published as oral PPT presentation by author in the 2nd HPBG conference, port Saied, April 2009.**

***- Published as oral PPT presentation by author in the 1st international Conference of AlHayah Hospital, Sohag Nile Hotel, Sohag 2014.**

***- Published as oral PPT presentation by the author in the 1st Sohag annual international conference of surgery, laparoendoscopy, and oncology , Al-Zohoor hotel, Sohag, 18-19 November 2015**

22) MULTIDISCIPLINARY APPROACHES FOR MANAGEMENT OF POST - CHOLECYSTECTOMY PROBLEMS, (SURGERY, ENDOSCOPY, AND PERCUTANEOUS APPROACHES).

Published in Surgical laparoscopy, endoscopy, and percutaneous techniques (SLEPT), Vol. 19, No. 6 , December, 2009; Pages 459 – 469 .

doi: 10.1097/SLE.0b013e3181bc4567

*- Published as poster presentation by the author in the Doha 2016 Hepatocellular Carcinoma Conference 4 – 5 March, the Sheraton hotel, Doha, Qatar; 2016

*- Published as poster presentation by the author in the 18th international congress of Egyptian Hepato-Pancreato-biliary society, Steigenberger hotel, Luxor, 2-5 March 2016

*- Published as oral PPT presentation by the author in the 17th congress of the modern Egyptian surgical society (MESS), and the 4th congress of the association of pan arab surgical obesity society (PASOS); Movenpick hotel, Hurghada, 23 – 26 March 2016

*- Published as oral PPT presentation by the author in the 1st annual congress of surgery department, faculty of medicine, Minia University, the main administrative conference hall, Minia; 2 – 3 June, 2016.

*- Published as oral PPT presentation by the author in the 17th international annual scientific conference of department of tropical medicine and gastroenterology in collaboration with the Egyptian association of viral hepatitis, 30th October – 1st November: Assuit University, 2nd -5th November: Sentido palm royal resort, Hurghada, 2016.

*- Published as oral PPT presentation by the author in the 4th Qena annual international conference of surgery, laparo-endoscopy, and oncology. The 4th - 6th of April, 2018. Golden paradise Hotel; Hurghada, Egypt.

46) Dose needle-knife precut sphincterotomy and repeated cannulation correlate with post-ERCP pancreatitis in patients with bile duct stone disease?

Published in the Egyptian Journal of Surgery, February, 2016; 35: 24 – 28. IP: 41.43.212.165.

DOI: 10.4103/1110-1121.176794

*- Published as poster presentation by one of the authors (M. Omar M.D) in the 1st Sohag annual international conference of surgery, laparoendoscopy, and oncology , Al-Zohoor hotel, Sohag, 18-19 November 2015

*- Published as poster presentation by one of the authors (Mohamad Omar M.D) in the 18th international congress of Egyptian Hepato-Pancreato-biliary society, Steigenberger hotel, Luxor, 2-5 March 2016.

47) Management of post operative bile leak; Tertiary center experience.

Published in the Clin Surg. 2017; 2: 1743

Remedy Publications LLC., | <http://clinicsinsurgery.com/>

*- Published as poster presentation by one of the authors (M. Omar M.D) in the 2016 SAGES Scientific Session & Postgraduate Course March 16-19, 2016 in Boston, Massachusetts, USA.

48) Diagnostic colonoscopy; Tips and Tricks from expert

*- Published as oral PPT presentation by author as state of art lecture in the opening ceremony of Assuit training workshop for endoscopy, Assuit University Hospitals, Assuit at 30th October in the 17th international annual scientific conference of department of tropical medicine and gastroenterology in collaboration with the Egyptian association of viral hepatitis, 30th October – 1st November: Assuit University, 2nd -5th November: Sentido palm royal resort, Hurghada, 2016.

49) Diagnostic Imaging and Different Modalities of Treatment of Temporomandibular Joint Dysfunction

Published in Sohag Medical Journal, October, 2017; Vol. 21 (3): 77 - 86.

50) Desarda versus Lichtenstein Technique for Primary Inguinal Hernia: A randomized Multicenter controlled trial with encouraging results.

Published in the International Surgery Journal, 2018 Aug;5(8):2723-2726.

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20183191>

*- Published as oral PPT presentation by one of the authors (Wael Barakaat M.D) in the 38th international congress of the European hernia society, June 5 – 8 Postilion convection center WTC, Rotterdam, The Netherland; 2016.

*- Published as poster presentation by one of the authors (Wael Barakaat M.D) in the 1st Sohag annual international conference of surgery, laparoendoscopy, and oncology , Al-Zohoor hotel, Sohag, 18-19 November 2015

51) Peptic ulcer diseases; Spotlight and debates

*- Published as oral PPT presentation by the author as stat of art lecture of the meeting at the 5th annual Luxor fever hospital meeting, in collaboration with internal medicine department at Luxor general hospital, 17 March, Ebrotel hotel; Luxor, 2016.

52) Progress of Endoscopy, and Updates; Tertiary Center Experience.

*- Published as oral PPT presentation by the author as stat of art lecture of the 1st international workshop of GIT endoscopy, Endoscopy unit, department of tropical medicine and gastroenterology, Qina University Hospitals, South Valley University, 9th August; 2016.

53) Enveloped double purse-string versus conventional pancreatico-gastrostomy during Whipple procedure: comparative study at Sohag university onco-surgery program.

Published in the International Surgery Journal; January 2017, Vol. 4, Issue 1, Pag. 1-6.

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20164052>

Published in the Hepato Pancreato Biliary Journal (Abstract only); January 01, 2019, Vol. 21, (1 .Supplement 3, S693

Open Archive * DOI: <http://doi.org/10.1016/j.hpb.2019.10.545>

*- Published as oral PPT presentation by one of the authors (Ashraf M. El-badry) in the 34th annual summer meeting of the Egyptian society of surgeons , October 27-29, 2016, Helnan Palestine, Alexandria, Egypt.

*- Published as oral PPT presentation by the author in the 4th Qena annual international conference of surgery, laparo-endoscopy, and oncology. The 4th - 6th of April, 2018. Golden paradise Hotel; Hurghada, Egypt.

54) The challenging dilemma of post cholecystectomy problems; Time to be settled. Tactics of management with 15 years' experience in a major referral center.

Published in JSM Gastroenterology and Hepatology; January 2017. 5(1): 1076.

*- Published as oral PPT presentation by the author in the 2nd international conference of the department of tropical medicine and gastroenterology, Qina University Hospitals, South Vally University, May; 2017.

55) LAPAROSCOPIC VERSUS OPEN RESTORATION OF THE GUT CONTINUITY AFTER HARTMANN'S PROCEDURE.

Published in the International Surgery Journal, 2018 Aug; 5 (8): 2708 – 2711 .

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20183189>

*- Published as Poster presentation by one of the authors (Waiel Barakaat M.D) in the 25th International Congress of the European association of endoscopic surgery and other interventional techniques (EAES), Frankfurt, Germany. 14-17 June 2017 (Abstract number: 67).

*- Published as oral PPT presentation by one of the authors (Waiel Barakaat M.D) in the 27th World Congress of the International Association of Surgeons, Gastroenterologists and Oncologists (IASGO World Congress 2017) Lyon, France. November 15th – 17th; 2017.

56) Progress of Endoscopy; Long journey approaching perfection

*- Published as oral PPT presentation by the author as stat of art lecture of the 1st international workshop of GIT endoscopy, Endoscopy unit, department of tropical medicine and gastroenterology, Qina University Hospitals, South Valley University, 9th August; 2016.

57) Evaluation and management of polyposis syndrome

*- Published as oral PPT presentation by the author as a review of literatures at the 19th Annual conference of the Egyptian group of colon and rectal surgeons in collaboration with the Egyptian society of surgeons, September 13th – 15th , 2017 JW Marriott Hotel, Cairo.

58) Cholecystectomy and its complications from A to Z; Master overview.

*- Published as oral PPT presentation by the author as a review of literatures at the monthly post graduate meeting in Surgery Department seminar meeting in 4 cosequitive meeting, Sohag University Hospital, General Surgery Seminar Ward; September, 2016.

59) Review on Liver Steatosis and its Impact on Liver Transplantation.

Published by one of the co-authors (Dr: Emad Ali Ahmad) in the Journal of Liver Research, Disorders & Therapy, september 2017; 3(4): 00064

DOI: 10.15406/jlrdt.2017.03.00064

60) Surveillance of Surgical Site Infection in General Surgery Department at Sohag University Hospital.

Published in Egyptian Journal of Medical Microbiology Volume 27 / No.1 / January 2018 159-166 Online ISSN: 2537-0979

61) Alternative laparoscopic techniques for stone extraction during laparoscopic CBD exploration (LCBDE); Pros and cons.

Published in the International Surgery Journal, 2019 July ; 6 (7): 2395 – 2400.

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20192962>

*- Published as oral PPT presentation by the author in the 15th international congress& workshop of the Egyptian society of laparoscopic surgery, the 13th winter meeting of Mediterranean & Middle eastern endoscopic surgery association, and the 6th congress of the Egyptian society of metabolic & Bariatric surgery, February 14th – 16th , 2018 Pyramiza Hotel , Cairo-Egypt

*- Published as oral PPT presentation by the author in the 36th Annual meeting of the Egyptian society of surgeons. March 21th – 23th , 2018 Hilton Cairo Heliopolis.

*- Published as oral PPT presentation by the author in the 4th Qena annual international conference of surgery, laparo-endoscopy, and oncology. The 4th - 6th of April, 2018. Golden paradise Hotel; Hurghada, Egypt.

*- Published as oral PPT presentation by the author in the 7th international meeting of hepato-pancreatico-biliary and liver transplant surgery, in collaboration with anesthesia and intensive care department, National liver institute, Minoufia University. September 12 - 13 - 2019 – Novotel Airport Hotel, Cairo, Egypt

62) Oncoplastic Breast Surgery: Current Strategies and Outcome

Published in Sohag Medical Journal, January, 2018; Vol. 22 (1): 1110-7529.

63) Remnant Gall Bladder and Cystic Duct Stump Stone After Cholecystectomy; Tertiary Multicenter Experience.

Published in the International Surgery Journal, 2018 November; 5 (11) : 3478 - 3483

DOI: 10.18203/2349-2902.isj20184612

*- Published as oral PPT presentation by the co-author (Dr: Sameer A. Makady) in the 4th Qena annual international conference of surgery, laparo-endoscopy, and oncology. The 4th - 6th of April, 2018. Golden paradise Hotel; Hurghada, Egypt.

*- Published as oral PPT presentation by the co-author (Dr: Sameer A. Makady) in the scientific meeting of Minia department of surgery in collaboration with the Egyptian society of surgeons (Basic surgical skills). April 25th – 26th, 2018 Grand Aton Hotel; Minia, Egypt

*- Published as oral PPT presentation by the author in the 6th international congress of hepato-pancreatico-biliary and liver transplant surgery, in collaboration with anesthesia and intensive care department, National liver institute, Minoufia University. May 1st - 2nd 2018 – Grand Nile tower Hotel, Cairo, Egypt.

*- Published as oral PPT presentation by the author in the 36th Annual Summer Meeting of the Egyptian Society of Surgeons. September 27th – 28th, 2018 Helnan Palestine Hotel; Alexandria, Egypt.

*- Published as oral PPT presentation by the author in the 16th international congress& workshop of the Egyptian society of laparoscopic surgery, the 14th winter meeting of Mediterranean & Middle eastern endoscopic surgery association, and the 7th congress of the Egyptian society of metabolic & Bariatryc surgery, February 14th – 16th, 2019 Hilton Heliopolis Hotel, Cairo-Egypt

64) Predictors of outcome in patients with traumatic liver injury in Sohag Governorates

*- Published as oral PPT presentation by the Co-author (Dr: Ahmad M. Helmy) in the 4th Qena annual international conference of surgery, laparo-endoscopy, and oncology. The 4th - 6th of April, 2018. Golden paradise Hotel; Hurghada, Egypt.

65) Spot light on some interesting ERCP cases; 20 Years' experience

*- Published as oral PPT presentation by the author as stat of art lecture in the 6th annual conference of gastro-enterology and hepatology unit, internal medicine department, Faculty of medicine, Sohag University. May 10th; 2018. Sohag University, Egypt

66) Impact of Graft Steatosis on Postoperative Complications after Liver Transplantation

Published in the Surgery Journal, August. 2018; Vol. No. 4: e 188 – e196.

DOI <https://doi.org/10.1055/s-0038-1675236>. ISSN 2378-5128.

67) Anal complications after anal fistula surgery

*- Published as oral PPT presentation by the author as a review of literatures at the 20th Annual conference of the Egyptian group of colon and rectal surgeons in collaboration with the Egyptian society of surgeons, July 25th – 27th, 2018 Hilton Cairo Heliopolis Hotel, Cairo.

68) Bariatric surgery between encouragement and inhibition; Sohag experience of first 50 cases with encouraging results (A single center case series study)

Published in the International Surgery Journal, 2019. July; 6 (7): 2234 - 2238

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20192940>

*- Published as oral PPT presentation by the co-author (Dr. Ahmad Rafat Saad) in the 36th Annual Summer Meeting of the Egyptian Society of Surgeons. September 27th – 28th, 2018 Helnan Palestine Hotel; Alexandria, Egypt.

69) Single-stage laparoscopic management for concomitant gallstones and common bile duct stones versus two stages using ERCP procedure.

*- Published as oral PPT presentation by the Co-author (Dr: Mohammad Tag-Eldeen) in the 16th international congress& workshop of the Egyptian society of laparoscopic surgery, the 14th winter meeting of Mediterranean & Middle eastern endoscopic surgery association, and the 7th congress of the Egyptian society of metabolic & Bariatryc surgery, February 14th – 16th, 2019 Hilton Heliopolis Hotel, Cairo-Egypt

70) Acute mild gallstone pancreatitis - timing of cholecystectomy.

Published in the International Surgery Journal, 2019. Apr; 6 (4): 1051 – 1055.

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20191250>

71) Total thyroidectomy: conventional suture ligation technique versus sutureless techniques

Published in the International Surgery Journal, 2019. Jun; 6 (6): 1862 - 1869

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20192355>

72) Follow up after diverticulitis: When colonoscopy is appropriate?

*- Published as oral PPT presentation by the author in the 21th Annual conference of the Egyptian society of colon and rectal surgeons. 28th – 30th August 2019 Hilton Cairo Heliopolis Hotel, Cairo

73) Management of post cholecystectomy biliary injuries; Yield of 20 years' experience in major referral center.

*- Published as oral PPT presentation by the author in the 3rd Upper Egypt general surgery conference (Towards perfect surgery); 26 – 29 August 2019, MovenPick Soma Bay resort; Hurghada, Egypt.

*- Published as oral PPT presentation by the author in the 1st symposium of faculty of medicine-Merit University (New era in applied medical researches), that was held as on-line event at the 7th June, 2021 from 10:00 AM – 4:00 PM, Merit University, New Sohag, Egypt.

*- Accepted as poster presentation by the author in the ENDO 2020 (connecting the world of endoscopy), 2nd world congress of GI Endoscopy, and 24th Pan American congress of digestive endoscopy (A-0989-0075-00367) March 7-10, 2020 Windsor Convection and Expo Center, Rio De Janeiro, Brazil.

74) Impact of choledochotomy techniques during laparoscopic CBD exploration on short- and long-term outcomes: Time to change concepts (a retrospective cohort study)

Published in the International Journal of Surgery 83 (2020) 102–106

DOI: <https://doi.org/10.1016/j.ijssu.2020.08.043>

*- Published as oral PPT presentation by the author in the 37th Annual summer meeting of the Egyptian society of surgeons in collaboration with the international society of surgeons. September 26th – 28th, 2019 Helnan Palestine Hotel; Alexandria.

*- Published as oral PPT presentation by the author in The 17th international congress &workshop of Egyptian society of laparoscopic surgery, the 15th Winter meeting of Mediterranean & Middle Eastern

endoscopic surgery association, and the 8th Congress of Egyptian society of metabolic & Bariatric surgery: 20 – 22 February; 2020. Semiramis intercontinental hotel; Cairo, Egypt.

*- Published as oral presentation by the co-author (Dr. Emad Ali Ahmad) in the 18th international congress& workshop of the Egyptian society of laparoscopic surgery (ESLS 2022), the 16th winter meeting of Mediterranean & Middle eastern endoscopic surgery association, and the 9th congress of the Egyptian society of metabolic & Bariatric surgery, February 17th – 19th, 2022 Semiramis intercontinental Hotel, Cairo-Egypt

*- Published as oral presentation by the co-author (Dr. Emad Ali Ahmad) in the 40th Annual meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC), International federation of surgical colleges (IFSC), and Turkish surgical society That was held at 30th March – 1st April 2022; Intercontinental Cairo Semiramis Hotel, Cairo, Egypt.

*- Published as oral presentation by the author in the conference of general surgery department of Minia University (SURGI MINIA 2022) in collaboration with the Egyptian society of surgeons (ESS), and Minia medical syndicate, 30th November – 1st December 2022; Jewel ElMinia Hotel (Armed Forces Hotel) , Al Minia, Egypt.

*- Published as oral PPT presentation by the co-author (Emad Ali Ahmad) in the 3rd International Medical Conference of Merit University (New Sohag Medical University) that was organized by Merit University (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 21st - 22nd April; 2024 at Merit University, New-Sohag city.

75) Prospective trial comparing open approach of Lichtenstein tension-free mesh with laparoscopic transabdominal preperitoneal approach for repair of inguinal hernia: tertiary center experience.

Published in the International Surgery Journal, 2019. November; 6 (11): 3927 – 3931.

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20195097>

76) Two-stages using endoscopic retrograde cholangio-pancreatography procedures versus single stage laparoscopic management for concomitant gallstones and common bile duct stones.

Published in the International Surgery Journal, 2019. December; 6 (12): 4244 - 4247.

DOI: <http://dx.doi.org/10.18203/2349-2902.isj20195381>

77) Sohag University general surgery center 5-years' experience in colonic continuity restoration after Hartmann's procedure: A retrospective comparative study between open versus laparoscopic surgery.

*- Published as oral PPT presentation by the Co-author (Dr: Mostafa Farrage) in the 3rd Annual meeting of IASGO organized by Egyptian chapter of IASG, November 14th – 15th; 2019 at Semiramis intercontinental Hotel, Cairo-Egypt.

*- Published as oral PPT presentation by the Co-author (Dr: Ahmad Helmy) in the 21th Annual conference of the ESCRS (Egyptian society of colon and rectal surgeons), 28th – 30th August 2019 Hilton Cairo Heliopolis Hotel, Cairo - Egypt.

78) Common Surgical Problems of Hepato-Biliary Pancreatic System, and their Management; Experience opinion in center of excellence.

*- Published as oral PPT presentation by the author in the annual conference of the new doctors in medical fields arranged by Sohag medical syndicate with collaboration with the ministry of health Sohag governorate; 20th February 2020 at Sohag medical club.

79) Endoscopic Ampullectomy for Highly Dysplastic Adenoma, or Suspicious Ampullary Neoplasms: Pros and Cons with Tertiary Center Experience

*- Accepted as poster presentation by the author in the ENDO 2020 (connecting the world of endoscopy), 2nd world congress of GI Endoscopy, and 24th Pan American congress of digestive endoscopy (A-0989-0073-00368) March 7-10, 2020 Windsor Convection and Expo Center, Rio De Janeiro, Brazil.

80) Surgical Site Infection; Spotlight, and Changing Plans

*- Published as oral presentation by the author in the standalone meeting of Al-Ameria pharmaceutical company – Ultramox launching campaign that was held in Hurghada, Desert Rose Resort, at 10th – 12th December 2020.

81) Laparoscopic inguinal hernia repair; Sohag experience

Published in The Egyptian Journal of Hospital Medicine (October 2021) Vol. 85, Page 2678-2687.

82) Biliary Sepsis; A Challenging Infection

*- Published as oral presentation by the author in the 39th Annual meeting of ESS (International Surgical Week). Hybrid Conference) organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC). That was held at 7th – 9th April 2021; Sheraton Cairo Hotel, Cairo, Egypt.

83) Laparoscopic Repair of Perforated Peptic Ulcer: Simple Closure Versus Omentopexy

Published in The Egyptian Journal of Hospital Medicine (October 2021) Vol. 85, Page 3080-3086.

84) Completion Cholecystectomy; Is It Feasible Laparoscopically?

*- Published as oral presentation by the author in the 18th international congress& workshop of the Egyptian society of laparoscopic surgery (ESLS 2022), the 16th winter meeting of Mediterranean & Middle eastern endoscopic surgery association, and the 9th congress of the Egyptian society of metabolic & Bariatric surgery, February 17th – 19th 2022 Semiramis intercontinental Hotel, Cairo-Egypt

*- Published as oral presentation by the author in the 40th Annual meeting of Egyptian society of surgeons organized by the Egyptian Society of Surgeons (ESS), in collaboration with International Society of Surgeons (ISC/SIC), International federation of surgical colleges (IFSC), and Turkish surgical society That was held at 30th March – 1st April 2022; Intercontinental Cairo Semiramis Hotel, Cairo, Egypt.

*- Published as oral presentation by the author in the scientific day organized by Tabuk pharmaceuticals on Friday 18th March; 2022 Nile Elite Hotel, Sohag -Egypt

*- Published as oral presentation by the author in the scientific day organized by Tabuk pharmaceuticals on Friday 18th March; 2022 Nile Elite Hotel, Sohag -Egypt

*- Published as oral presentation by the author in the 5th Annual Kafr ElShiekh GI & HBP Surgeries Conference 2024 organized by general Surgery department, GI and HBP unit; Aloboor Health insurance Hospital. (Interactive sessions and Preconference live transmission session and workshops), in collaboration with the Egyptian society of surgeons (ESS), and KFS – Medical scientific Society, 16th October; 2025 – Al Khaleden Garden Conference Hall, Kafr Elshiekh, Egypt.

85) Safe Surgery; Surgical mistakes

*- Published as oral presentation by the author in the scientific day organized by Farco pharmaceuticals on Tuesday 19th March; 2022 Coral Hotel, Sohag -Egypt

86) Comparative study of three common bile duct closure techniques after choledocholithotomy: safety and efficacy

*- Published in the Langenbeck's Archives of Surgery; Published online: 04 July 2022

The article is available online here <https://doi.org/10.1007/s00423-022-02597-3>

A PDF article here <https://link.springer.com/content/pdf/10.1007/s00423-022-02597-3.pdf>

*- Published as oral presentation by the Co-author (Prof. Mohamad Omar) in the National Liver Institute Collaboration Conference (NLICC 2025 – New Horizon in Digestive, Hepatobiliary, and Metabolic Disorders; Current Trends, Innovations, and Challenges) that was organized by NLIC – Minufia University, at Hilton Cairo Grand Nile Tower Hotel 13 -14 February; 2025, Cairo, Egypt

87) Laparoscopic Cholecystectomy; Long Journey Approaching Perfection. 30 Years of Challenging Experience in tertiary Centers

*- Published as oral presentation by the author in the annual scientific conference of faculty of medicine, Merit University; February 22th – 23th, 2023, with two pre-congress workshops for virtual reality laparoscopic surgery training; initial assessment, and abdominal sonography assessment. At Merit Education & Skill Improvement Center (MESIC) Faculty of Medicine – Merit University, at Merit campus, New Sohag city, Sohag, Egypt

88) Post-cholecystectomy major bile duct injury: ideal time to repair based on a multicenter randomized controlled trial with promising results.

Published in the International Journal of Surgery; Online April 20th, 2023, 1208 - 1221

DOI: 10.1097/JS9.0000000000000403.

89) DOUBLE MESH REPAIR (SANDWICH TECHNIQUE) WITH ABDOMINOPLASTY FOR COMPLEX VENTRAL HERNIAS; multicenter experience with marvelous results

*- Published as oral PPT presentation by the author in the 24th international annual conference of the Egyptian society of the colon and rectal surgeons (ESCRS), organized by the Egyptian Society of Colon and Rectal Surgeons (ESCRS), in collaboration with the European Society of Colo-Proctology (ESCP), and accredited by U.E.M.S. 27 hours. That was held in intercontinental City Star Cairo Hotel, at 31 August – 2 September; 2023.

*- Published as oral PPT presentation by the author in the 3rd International Medical Conference of Merit University (New Sohag Medical University) that was organized by Merit University (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 21st - 22nd April; 2024 at Merit University, New-Sohag city.

*- Published as oral PPT presentation by the author in The 4th Annual Kafr ElShiekh GI & HBP Surgeries Conference 2024 organized by general Surgery department, GI and HBP unit; Aloboor Health insurance Hospital. (Interactive sessions and Preconference live transmission session and workshops) at 10th October; 2024 – Al Khaleden Garden Conference Hall, Kafr Elshiekh, Egypt.

*- Published as oral PPT presentation by the author in the 4th International Medical Conference of Upper Egypt Universities (Merit University – Sohag University – South Valley University – Aswan University - Luxor University) that will be organized by all Upper Egypt Universities (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 26 - 27 April; 2025 at Merit University-New-Sohag city, and South Valley University-Qena.

*- Published as oral presentation by the author in the 4th Annual Kafr ElShiekh GI & HBP Surgeries Conference 2024 organized by general Surgery department, GI and HBP unit; Aloboor Health insurance Hospital. (Interactive sessions and Preconference live transmission session and workshops) at 10th October; 2024 – Al Khaledeen Garden Conference Hall, Kafr Elshiekh, Egypt.

90) Operative risk factors for clinically relevant-postoperative pancreatic fistula after pancreaticoduodenectomy: a prospective multicenter cohort study.

Published in *Annals of Oncology* (2023), Abstract V. 34 Supplement 1, 650 (P-103).

<https://doi.org/10.1016/j.annonc.2023.04.159>

Published in the *The Egyptian Journal of Surgery*, December 2023, Vol. 42:848–858.

DOI: [10.4103/ejs.ejs_164_23](https://doi.org/10.4103/ejs.ejs_164_23)

91) Prolonged versus delayed laparoscopic cholecystectomy for acute cholecystitis: Time to change the concept – A multicenter randomized controlled trial.

Published in the *South Valley University Journal (SVU-International Journal of Medical Sciences)*. Vol.6, Issue 2, pp: 622-638. Sept. 2023.

DOI: [10.21608/svuijm.2023.231976.1670](https://doi.org/10.21608/svuijm.2023.231976.1670)

92) Endoscopic retrograde cholangiopancreatography plus laparoscopic cholecystectomy versus laparoscopic common bile duct exploration and cholecystectomy for cholecysto-choledocholithiasis-The same operator: a multicenter randomized controlled trial.

Published in *The Egyptian Journal of Surgery* (2023), 42: 956 – 967.

DOI: [10.4103/ejs.ejs_189_23](https://doi.org/10.4103/ejs.ejs_189_23)

*- Published as oral PPT presentation by the co-author (Mohamad A. Omar) in the 3rd International Medical Conference of Merit University (New Sohag Medical University) that was organized by Merit University (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 21st - 22nd April; 2024 at Merit University, New-Sohag city.

93) Round block technique and modified round block technique as a cornerstone of oncoplastic breast surgery for early breast cancer.

Published in *The Egyptian Journal of Surgery*, ISSN: 1110-1121, July 2024, Vol. 43, No. 3: 742-746.

DOI: [10.21608/EJSUR.2024.357122](https://doi.org/10.21608/EJSUR.2024.357122)

94) Traumatic liver injuries, and their management; predictors of outcome in tertiary center.

*- Published as oral PPT presentation by the author in the 1st Delta trauma conference (abdominal trauma), and the 5th continuous trauma conference; that was held at 27th June 2024; Tolip El-Forsan Resort, Ismailia.

*- Published as oral PPT presentation by the author in the 4th International Medical Conference of Upper Egypt Universities (Merit University – Sohag University – South Valley University – Aswan University - Luxor University) that will be organized by all Upper Egypt Universities (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 26 - 27 April; 2025 at Merit University-New-Sohag city, and South Valley University-Qena.

95) Assessment of inferior pedicle therapeutic mammoplasty as apart of volume displacement techniques of oncoplastic breast surgery for early breast cancer.

Published in SOHAG MEDICAL JOURNAL; May 2024, Vol. 28, No. 2: 144 - 150.

DOI: 10.21608/SMJ.2024.272599.1457

*- Published as oral PPT presentation by the co-author (Noha Abdulla Mahmoud) in the 3rd International Medical Conference of Merit University (New Sohag Medical University) that was organized by Merit University (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 21st - 22nd April; 2024 at Merit University, New-Sohag city.

96) Post Cholecystectomy Biliary Injuries; 25 Years' Experience in Management Using Different Treatment Strategies and Modalities in Tertiary Centers.

Published in Merit Medical Journal (MERMJ), Volume 1, Issue 1, Pages 1-12.

DOI: 10.21608/MERMJ.2024.280748.1014

*- Published as poster presentation by the author in the 4th International Medical Conference of Upper Egypt Universities (Merit University – Sohag University – South Valley University – Aswan University - Luxor University) that will be organized by all Upper Egypt Universities (faculty of medicine, faculty of pharmacy, and faculty of physical therapy) at 26 - 27 April; 2025 at Merit University-New-Sohag city, and South Valley University-Qena.

97) Management of CBD Stones; 30 Years' Experience of Changing Strategies

*- Published as oral PPT presentation by the author in the 21th international congress& workshop of the Egyptian society of laparoscopic surgery (ESLS 2025), the 19th winter meeting of Mediterranean & Middle eastern endoscopic surgery association (MMESA), and the 12th congress of the Egyptian society of metabolic & Bariatric surgery (ESMBS), February 20th – 21th, 2025; Grand Nile Tower Hotel, Cairo-Egypt

*- Published as oral PPT presentation by the author in the National Liver Institute Collaboration Conference (NLICC 2025 – New Horizon in Digestive, Hepatobiliary, and Metabolic Disorders; Current Trends, Innovations, and Challenges) that was organized by NLIC – Minufia University, at Hilton Cairo Grand Nile Tower Hotel 13 -14 February; 2025, Cairo, Egypt

98) Single-stage laparoscopic management for concomitant gallstones and common bile duct stones versus two stages using endoscopic retrograde cholangiopancreatography procedures

Published in International Surgery Journal (Int. Surg. J.), 2025 Mar; 12 (3) : Pages 271 - 278.

<http://www.ijurgery.com> – p ISSN 2349-3305 | e ISSN 2349-2902

DOI: <https://dx.doi.org/10.18203/2349-2902.isj20250554>

99) Comparing Two Stages Using ERCP Procedures vs. One Stage Laparoscopic Management for Concomitant Gallstones and Common Bile Duct Stones

Published in The Egyptian Journal of Surgery,

DOI: 10.21608/EJSUR.2025.360834.1393

100) Predictors of Difficult Laparoscopic Cholecystectomy, Scoring Systems and Their Implications on The Outcomes Sohag Experiences

Published in SOHAG MEDICAL JOURNAL; July2025, Vol. 29 No (2) , Page 161- 170.

DOI: 10.21608/SMJ.2025.391351.1580

101) Evaluation of Different Modalities (Surgery and Endoscopy) in Management of Indeterminate Lower Common Bile Duct Stricture

Published in The Egyptian Journal of Surgery,

DOI: _____.

***- Published as oral PPT presentation by the author in the annual conference of general surgery – Minia University (SURGI MINIA 2025), organized by general surgery department, Minia University, in Horus Hotel, Minia; at 22 – 23 October, 2025.**

102) Indeterminate Lower Common Bile Duct Stricture; Now it is settled.

Published in Journal of Surgery,

DOI: _____.

103) Outcomes of laparoscopic versus open repair of inguinal hernia.

Published in The Egyptian Journal of Hospital Medicine (July 2025) Vol. 100, Page 3472-3476

DOI: <https://doi.org/10.21608/ejhm.2025.445979>
