

Curriculum Vitae

Noha Abd El-Magid Ragab Fouda

نهى عبدالمجيد رجب فوده

Personal data:

Surname: Fouda
Middle names: Abd El-Magid
First name: Noha
Sex: Female
Date of birth: 14 / 7 /1985
Religion: Muslim
Nationality: Egyptian
Marital status: Married
Current Job: Lecturer of Human Anatomy and Embryology – Faculty of Medicine – Sohag University –Egypt

Contact details:

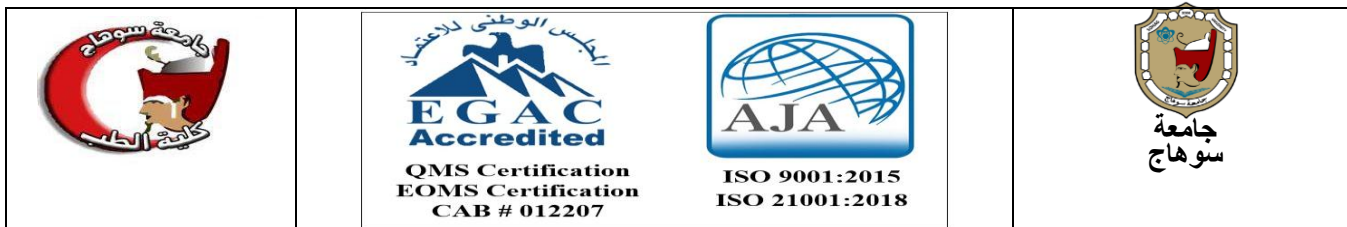

Address:

- Work: Egypt, Sohag, Sohag University, Faculty of Medicine, Human Anatomy and Embryology Department.
- Home: Egypt, Sohag, Nasser city, Schools Street.

Mobile: (+2) 01557882860 (+2) 01015886112

Telephone: (+2) 0932713259

E-mail: **nohafouda544@yahoo.com**

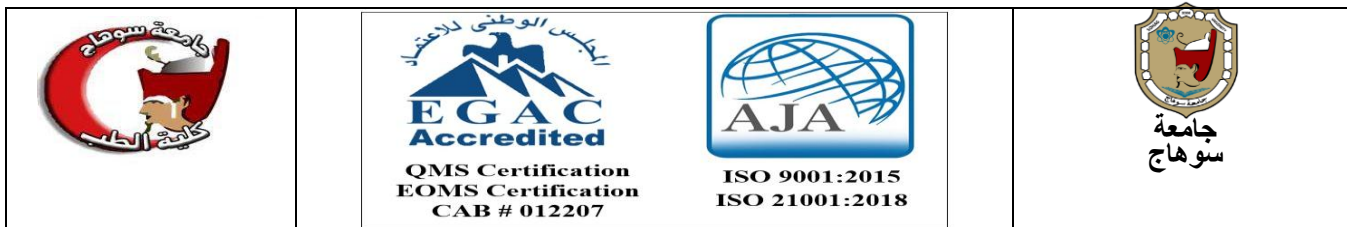

Specialty:

General specialty: Human Anatomy and Embryology

Academic qualifications

1. Bachelor in medicine and surgery (M. B. Bch.) from Faculty of Medicine, Sohag University Egypt.
 - Graduation degree: 86.36%.
 - Excellent with honors degree.
2. Master Degree (M.Sc.) of Anatomy, 26/12/2015 from Faculty of Medicine, Sohag University, Egypt (Excellent degree).
 - Master essay titled "Potential protective role of barley's grains on methotrexate induced jejunal mucosal damage in male albino rats". A thesis submitted for partial fulfillment of master degree in human anatomy and embryology (Faculty of medicine, Sohag University, Egypt) , which was discussed by a committee of professors from the human anatomy and embryology department in Assuit and Alminia University, schools of medicine and was accepted.
3. Passed the first part of the PhD degree in anatomy and embryology with excellent degree.
4. Doctorate Degree (M.D.) of Anatomy, 28/7/2021 from Faculty of Medicine, Sohag University, Egypt (Excellent degree).

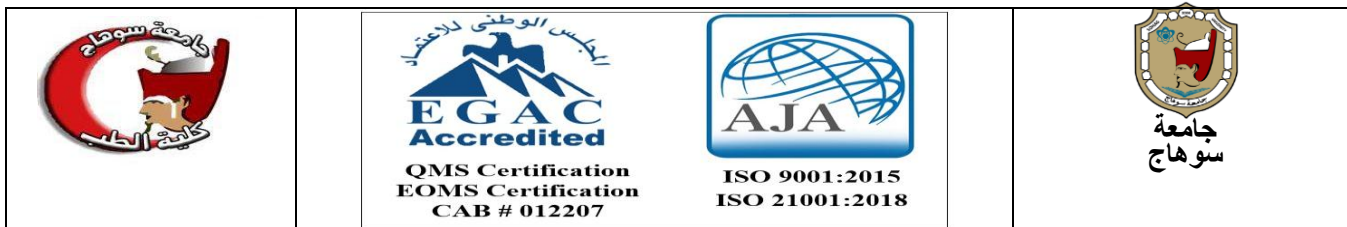

- doctorate essay titled “Effect of Acrylamide on ovaries and mammary glands of female albino rats and possible protective role of vitamin E.”, A thesis submitted for partial fulfillment of doctorate degree in human anatomy and embryology (Faculty of medicine, Sohag University, Egypt), which was discussed by a committee of professors from the human anatomy and embryology department in Assuit and Alminia University, schools of medicine and was accepted.

Jobs experience:

- **March 2009 – March 2010:**
House Officer at Sohag University Hospitals, Sohag, Egypt.
- **June 2010 till September 2015:**
Demonstrator at Anatomy and Embryology department, Sohag Faculty of Medicine, Egypt.
- **December 2015 till June 2021 :**
Assistant lecturer at Anatomy and Embryology department, Sohag Faculty of Medicine, Egypt.
- **July 2021 up till now :**
- Lecturer at Anatomy and Embryology department, Sohag Faculty of Medicine, Egypt

Work Experiences:

- Teaching practical Human Anatomy and Embryology courses to first and second year's medical students at Faculty of Medicine, Sohag University, Egypt.

- Teaching practical Human Anatomy courses to nursing students at Faculty of Medicine, Sohag University, Egypt.
- Teaching practical Human Anatomy courses to students at Faculty of pharmacy, Sohag University, Egypt.
- Good experience in digital anatomy teaching.
- Good experience in integrative learning modules.

Training Courses and Workshops:

❖ First part of master degree is histology and passed with very good degree.

❖ Training courses:

- At Faculty Leadership Developing Project (FLDP) at Sohag University:
 - Systems of student assessment and examinations (2012).
 - Program of legal and financial aspects of the college business (2010).
 - Competitive local and global research projects (2010).
 - Statistical analysis in scientific research (2017).
 - International publishing of research.
- ❖ **Training course on Photoshop** – Center of Computing and Information Technology – Sohag University (2013).
- ❖ **Training course on English language proficiency** with percentage of 96%(2013)
- ❖ **Training course on Endnote** – Centre of Computing and Information Technology – Sohag University (2014).

- ❖ **Training course on French language proficiency** (2016)
- ❖ **Training course on Statistical analysis in scientific research** (2017).
- ❖ **Training course on fundamentals of digital transformation** (2021).

Workshop of:

- Handling of plastinated cadavers and samples at Faculty of Medicine, Sohag University, and Sohag, Egypt.
- Systems of student assessment and examinations, Faculty of medicine – NBU.
- Workshop on Quality management – Faculty of medicine – NBU

Scientific meeting and conferences:

May 2011

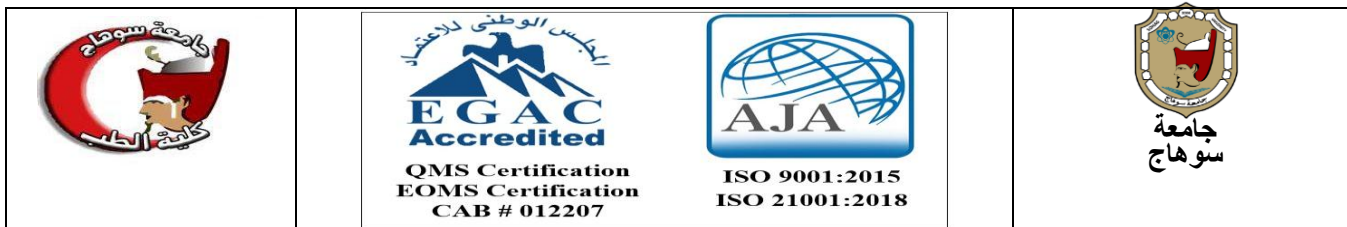

- The second conference of young researchers of Sohag University.

May 2012

- The third conference of young researchers of Sohag University.

May 2012

- Attendance and active participation in the annual national conferences of Sohag Faculty of Medicine, Sohag University.

March 2012

- Attendance and active participation in the annual students' conference of Sohag Faculty of Medicine, Sohag University.

February 2013

- Attendance and active participation in the 4th annual conference of Assiut Clinical Oncology Department, Assiut University.

March 2013

- Attendance and active participation in the annual students' conference of Sohag Faculty of Medicine, Sohag University.

March 2013

- Attendance and active participation in 3rd international conference of Assiut Clinical Oncology and nuclear medicine department, Assiut University.

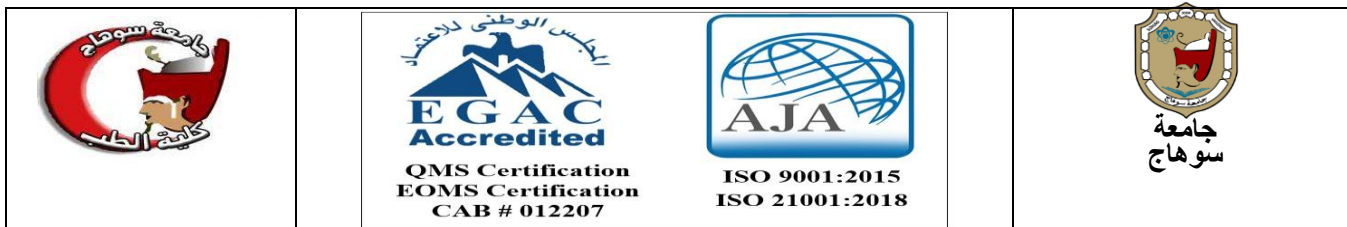

April 2014

- Attendance and active participation in the annual oncology meeting of Alexandria society for cancer patient care in association with Alexandria clinical oncology department.

March 2018

- Attendance and training of first aid measures, organized by the association of sohag life makers .

March 2021:

- Attendance t of the sixth scientific conference of young researchers of Sohag University

March 2021:

- Attendance in the annual conference of cardiology department, El helal hospital ,sohag ,Egypt.

September 2021:

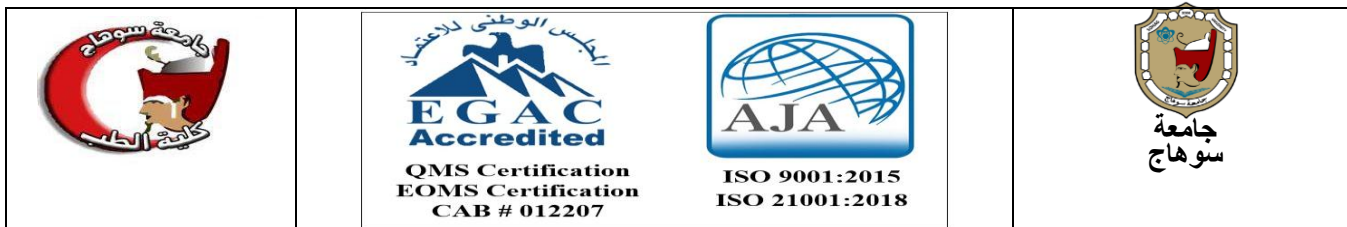

- Attendance and active participation in total 15 hours' workshop titled < the training programs medical education development center faculty of medicine, sohag university.

March 2022:

- Attendance t of the seventh scientific conference of young researchers of Sohag University

Publishing:

- 1- Potential protective role of barley's grains on methotrexate induced jejunal mucosal damage in male albino rats, Journal of American Science 2016;12(11).
- 2- Effect of Acrylamide on Ovaries of Female Albino Rats and Possible Protective Role of Vitamin E, Med. J. Cairo Univ., Vol. 88, No. 5, December: 2177-2182, 2020.
- 3- Effect of acrylamide on ovarian follicles in female albino rats and possible protective role of Vitamin E: Masson and

immunohistochemical studies, sohag journal of junior researchers, 2021.

4- Pathological Effects of High Dose of Acrylamide on The Mammary Glands of Female Albino Rats and The Possible Protective Role of Vitamin E (Histological and Immunohistochemical study), Egyptian Journal of Histology, DOI: [10.21608/ejh.2022.107025.1593](https://doi.org/10.21608/ejh.2022.107025.1593).

5- possible effects of vitamin E on acrylamide induced gross effects on female albino rats (by gross observation), sohag journal of junior researchers 2022.

Memberships:

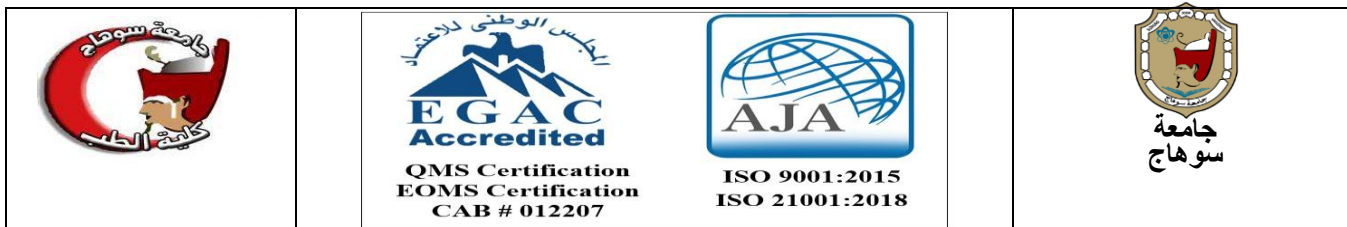

- Egyptian medical syndicate.
- Egyptian society of science of anatomy.

Lab work:

- Dissection of all body partitions as upper limb, lower limb, abdomen, pelvis, thorax, head and neck, nervous system.
- Dealing with plastinated cadavers and samples.
- Organ sampling, fixation, sectioning, staining and examination by microscopy.
- Animal dissection, organ extraction, fixation, sectioning and staining of the tissues.

Language:

٢٠٢٢/٠٤/١٥	تاريخ الاصدار	٠١	رقم الاصدار	SMdD0Qa01	كود رقم
------------	---------------	----	-------------	-----------	---------

- **Arabic :**
 - Native language.
- **English:**
 - Proper writing, listening and speaking.
 - Attendance of English course (36 hours) with 96% exam score at Sohag University, April 2013.
 - Preparing for TOEFL exam soon.
- **French**
 - Attendance and passed of French course and exam ,score at Sohag University, from 13 /2/2016 to 14 /3/2016.

IT and computer skills

- Good IT skills.
- Competent user of Microsoft Word, PowerPoint, Excel.
- Certificate of International Computer Driving License (ICDL), 2009.
- Good user of Photoshop software.
- Good user of Endnote.
